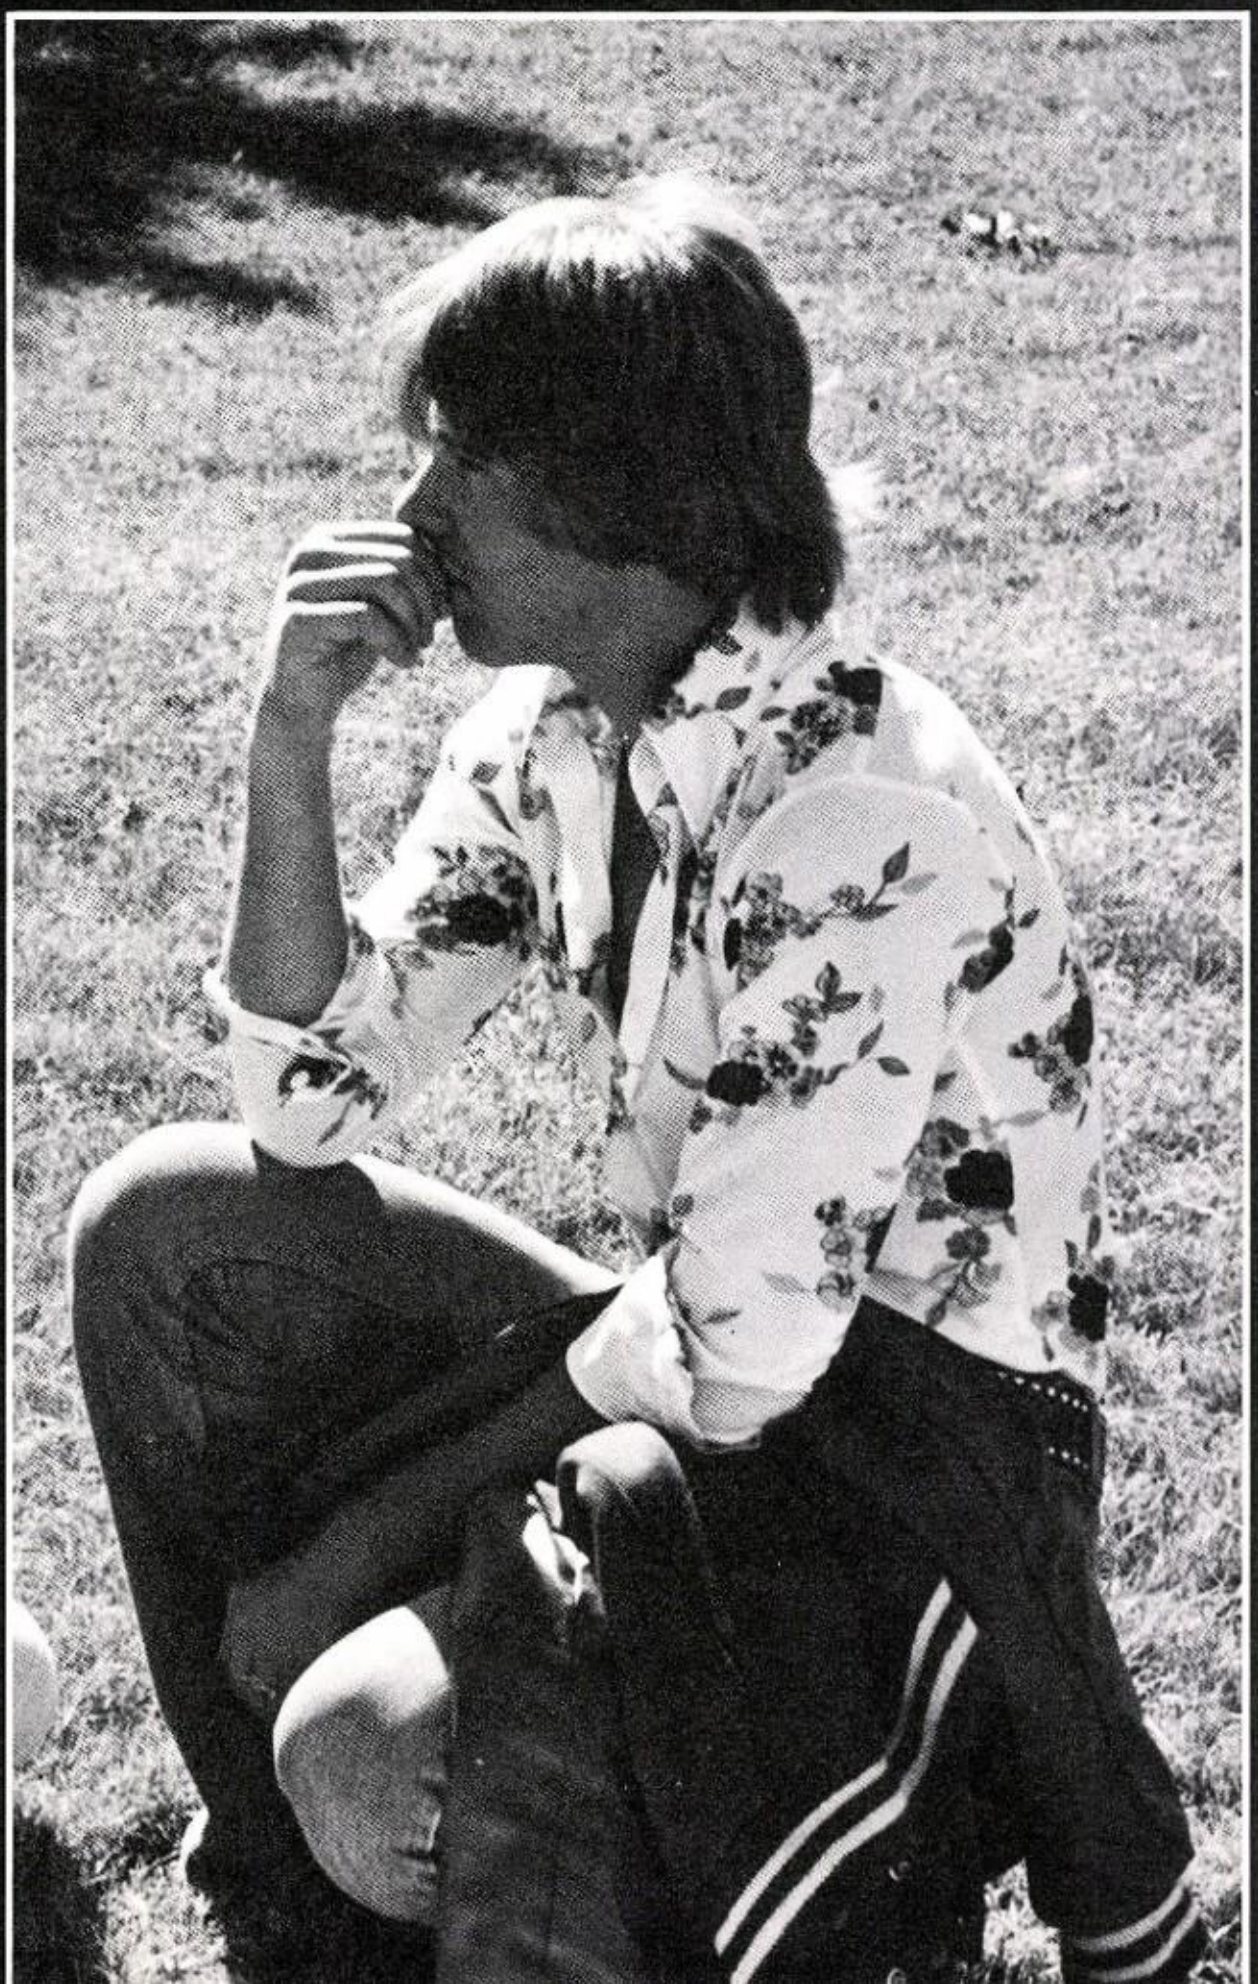
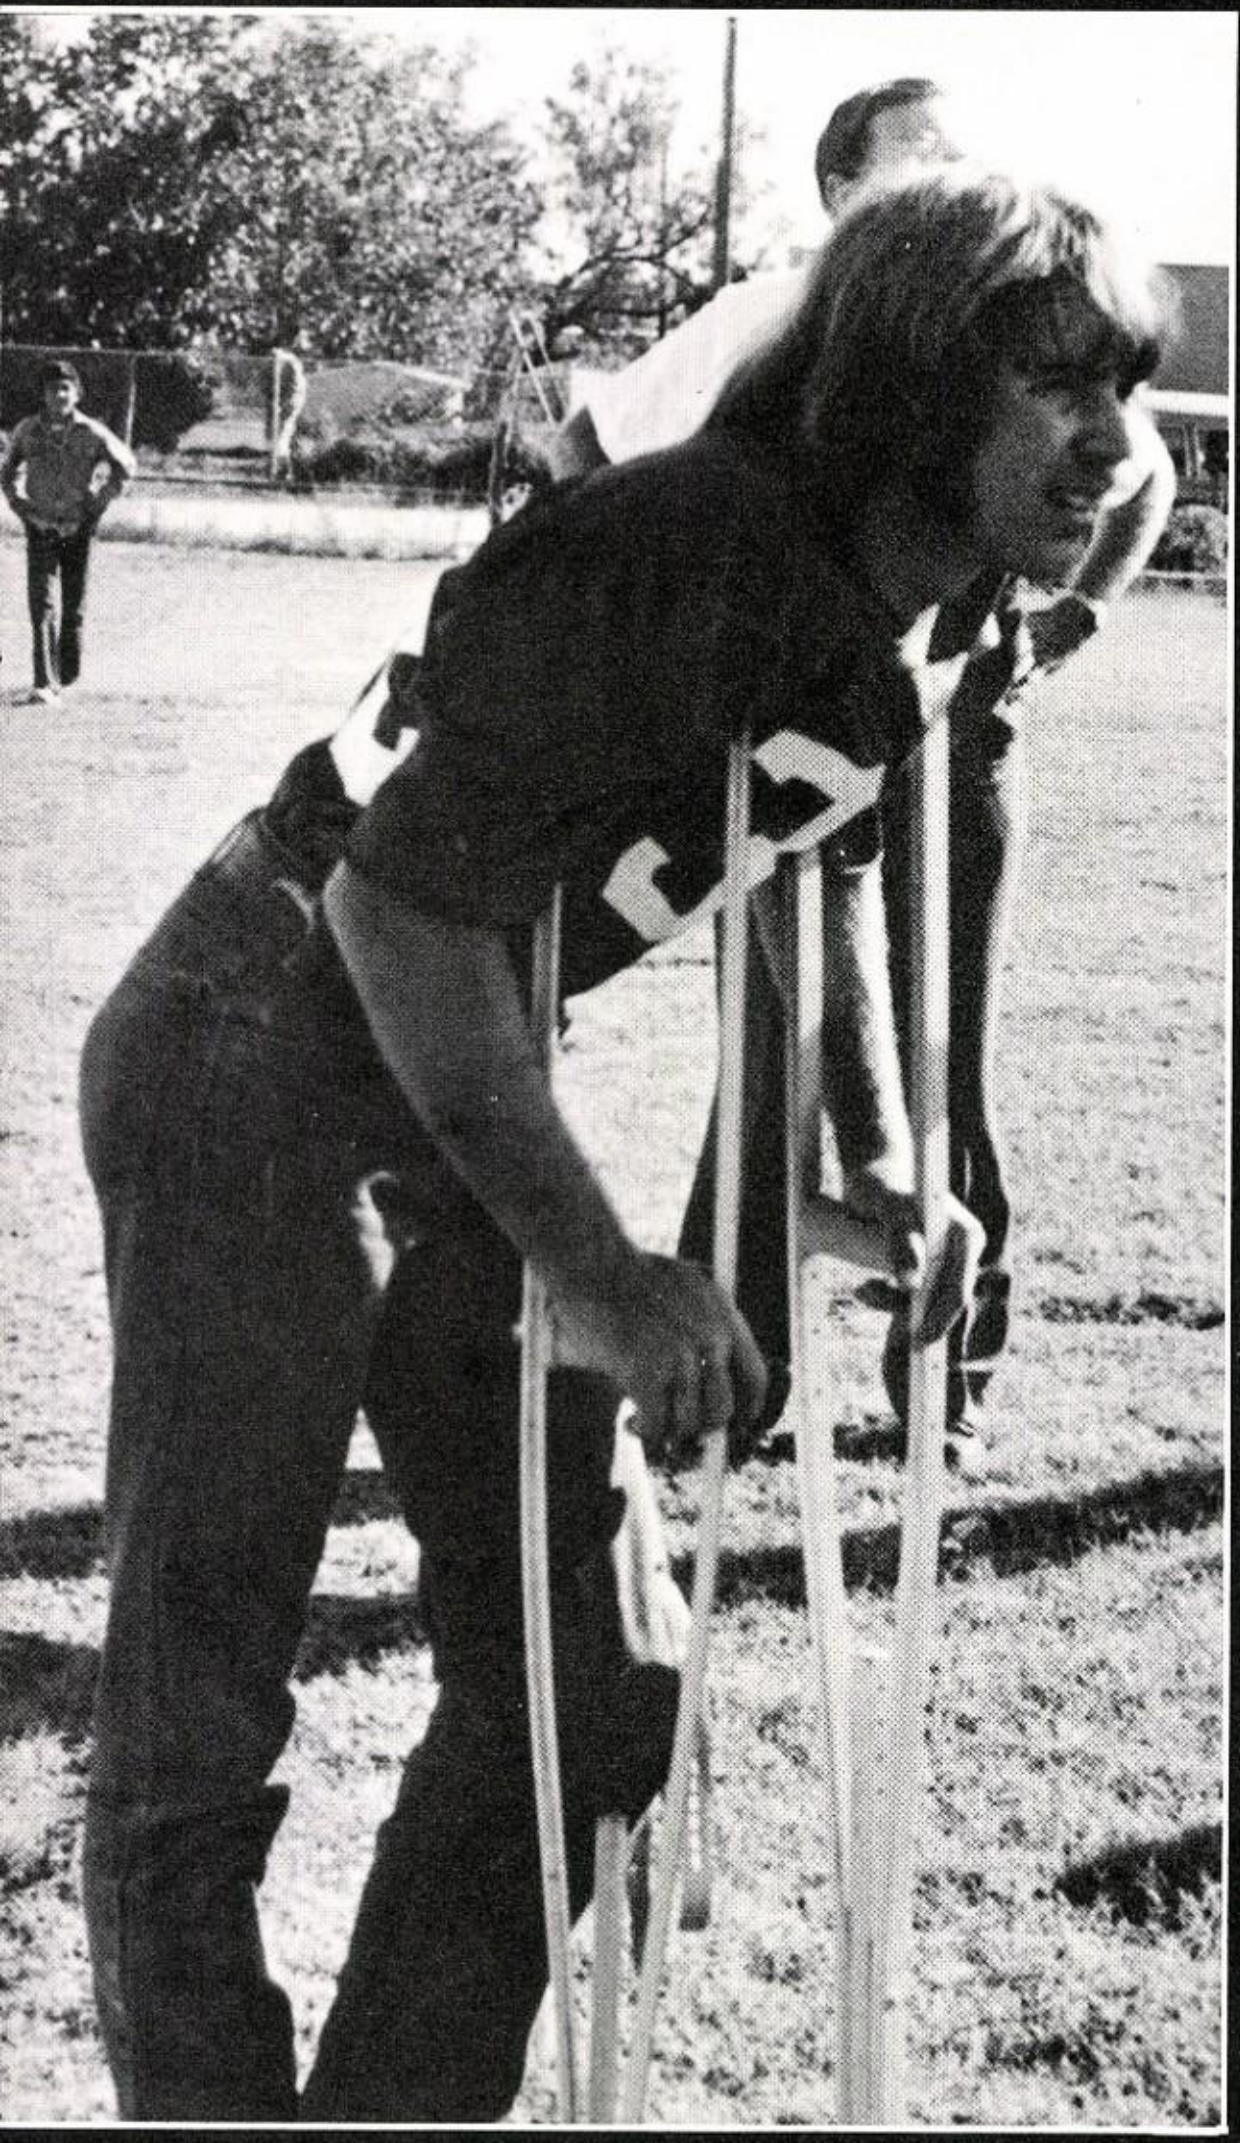
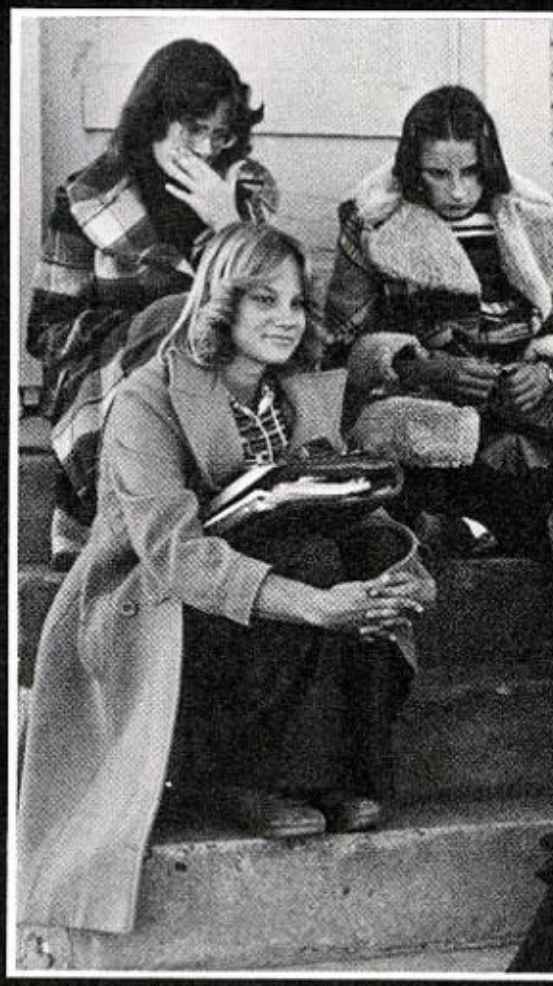
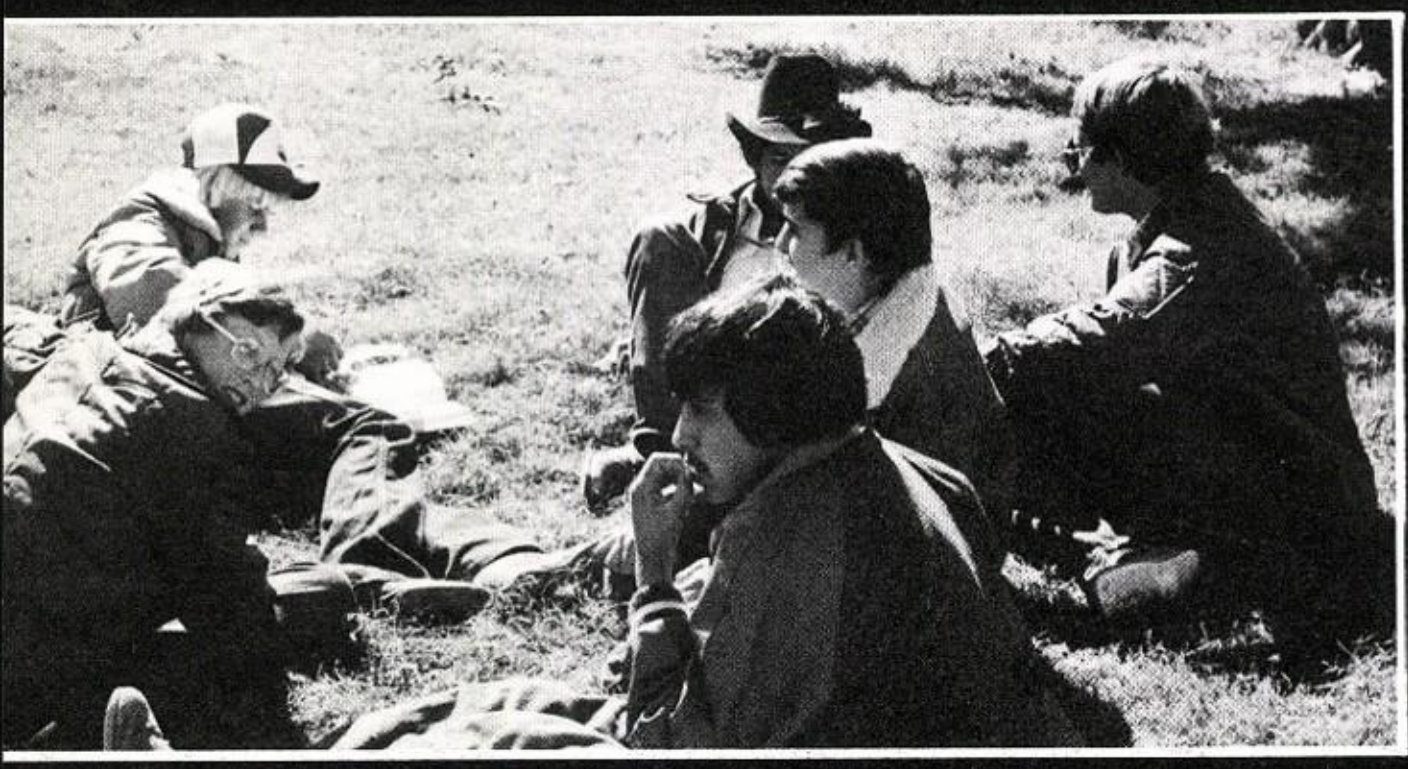
Today While The Blossoms Still Cling To The Vine, I'll Taste Your Strawberr-ies, I'll Drink Your Sweet Wine.





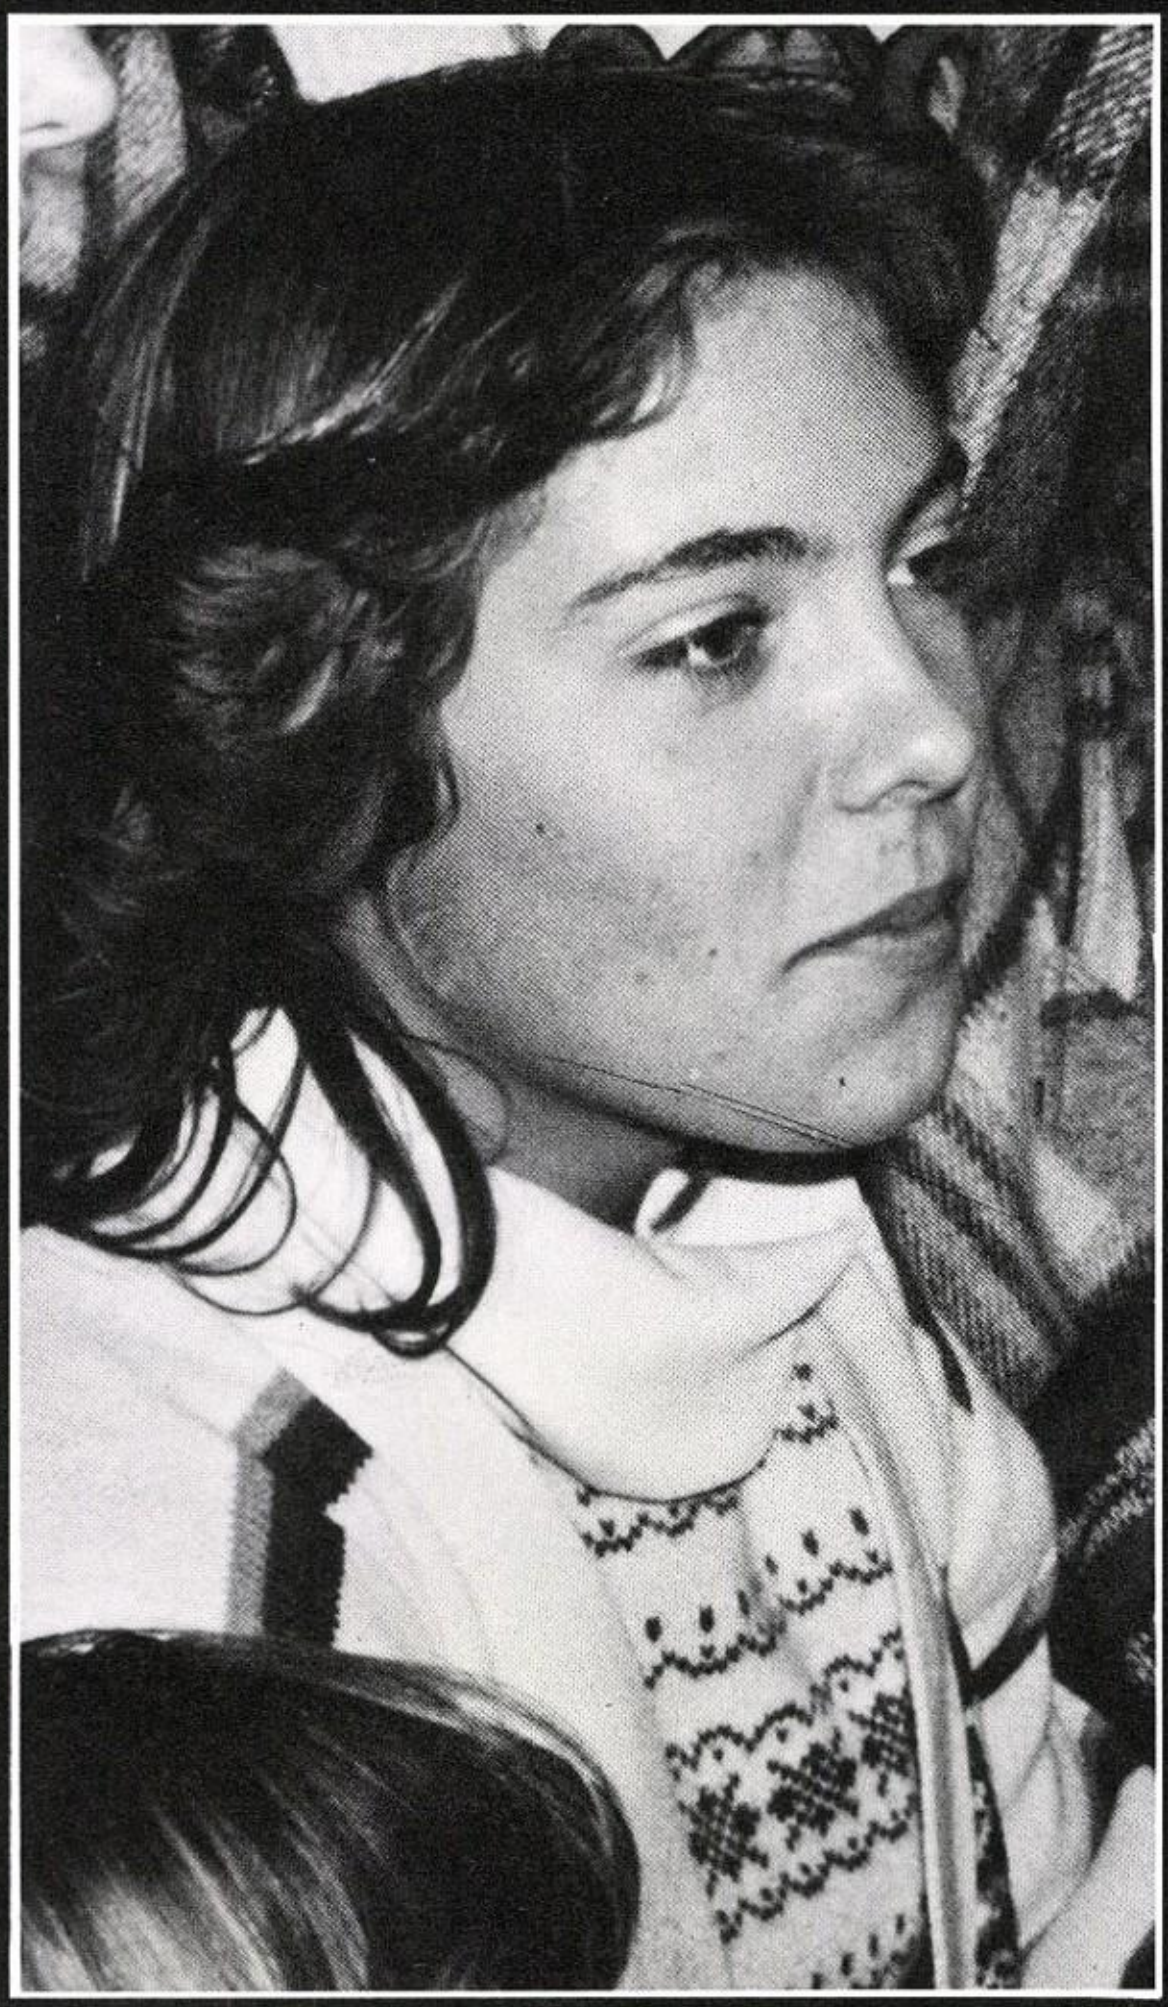


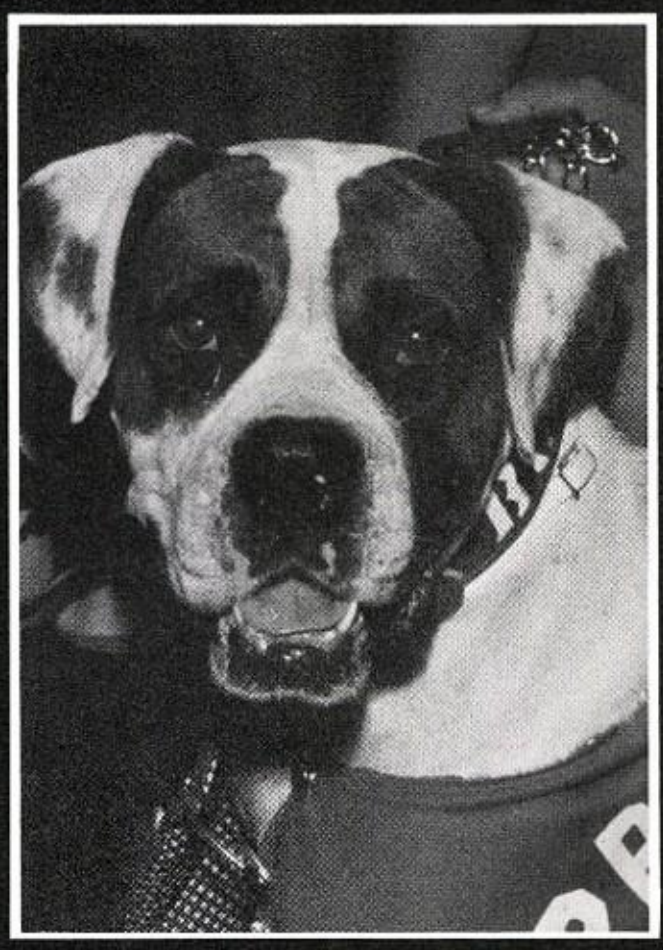
A Million Tomorrows Shall All Pass Away,
Ere I Forget All The Joy That is Mine,
Today.

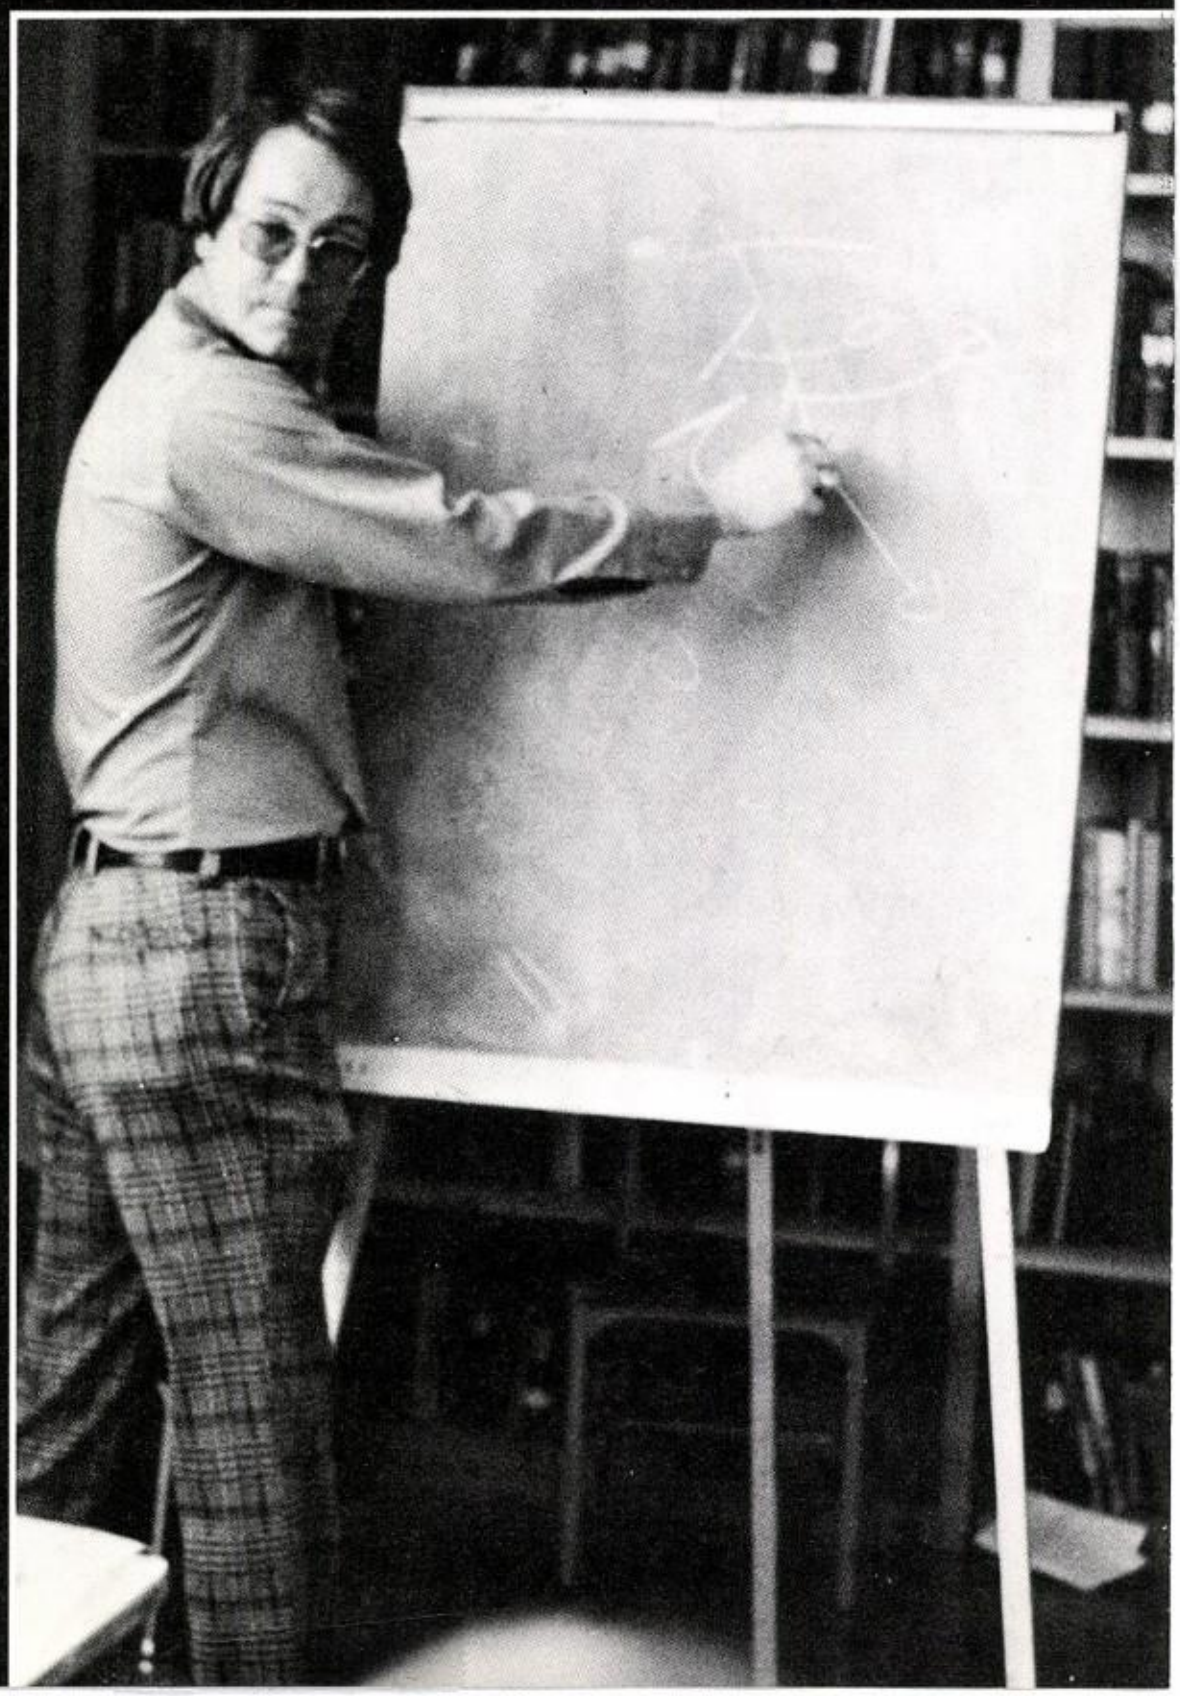


I'll Be A Dandy And I'll Be A Rover, You'll Know Who I Am By The Song That I Sing.

I'll Feast At Your Table,
I'll Sleep In Your Clover,
Who Cares What The Morrow Shall Bring





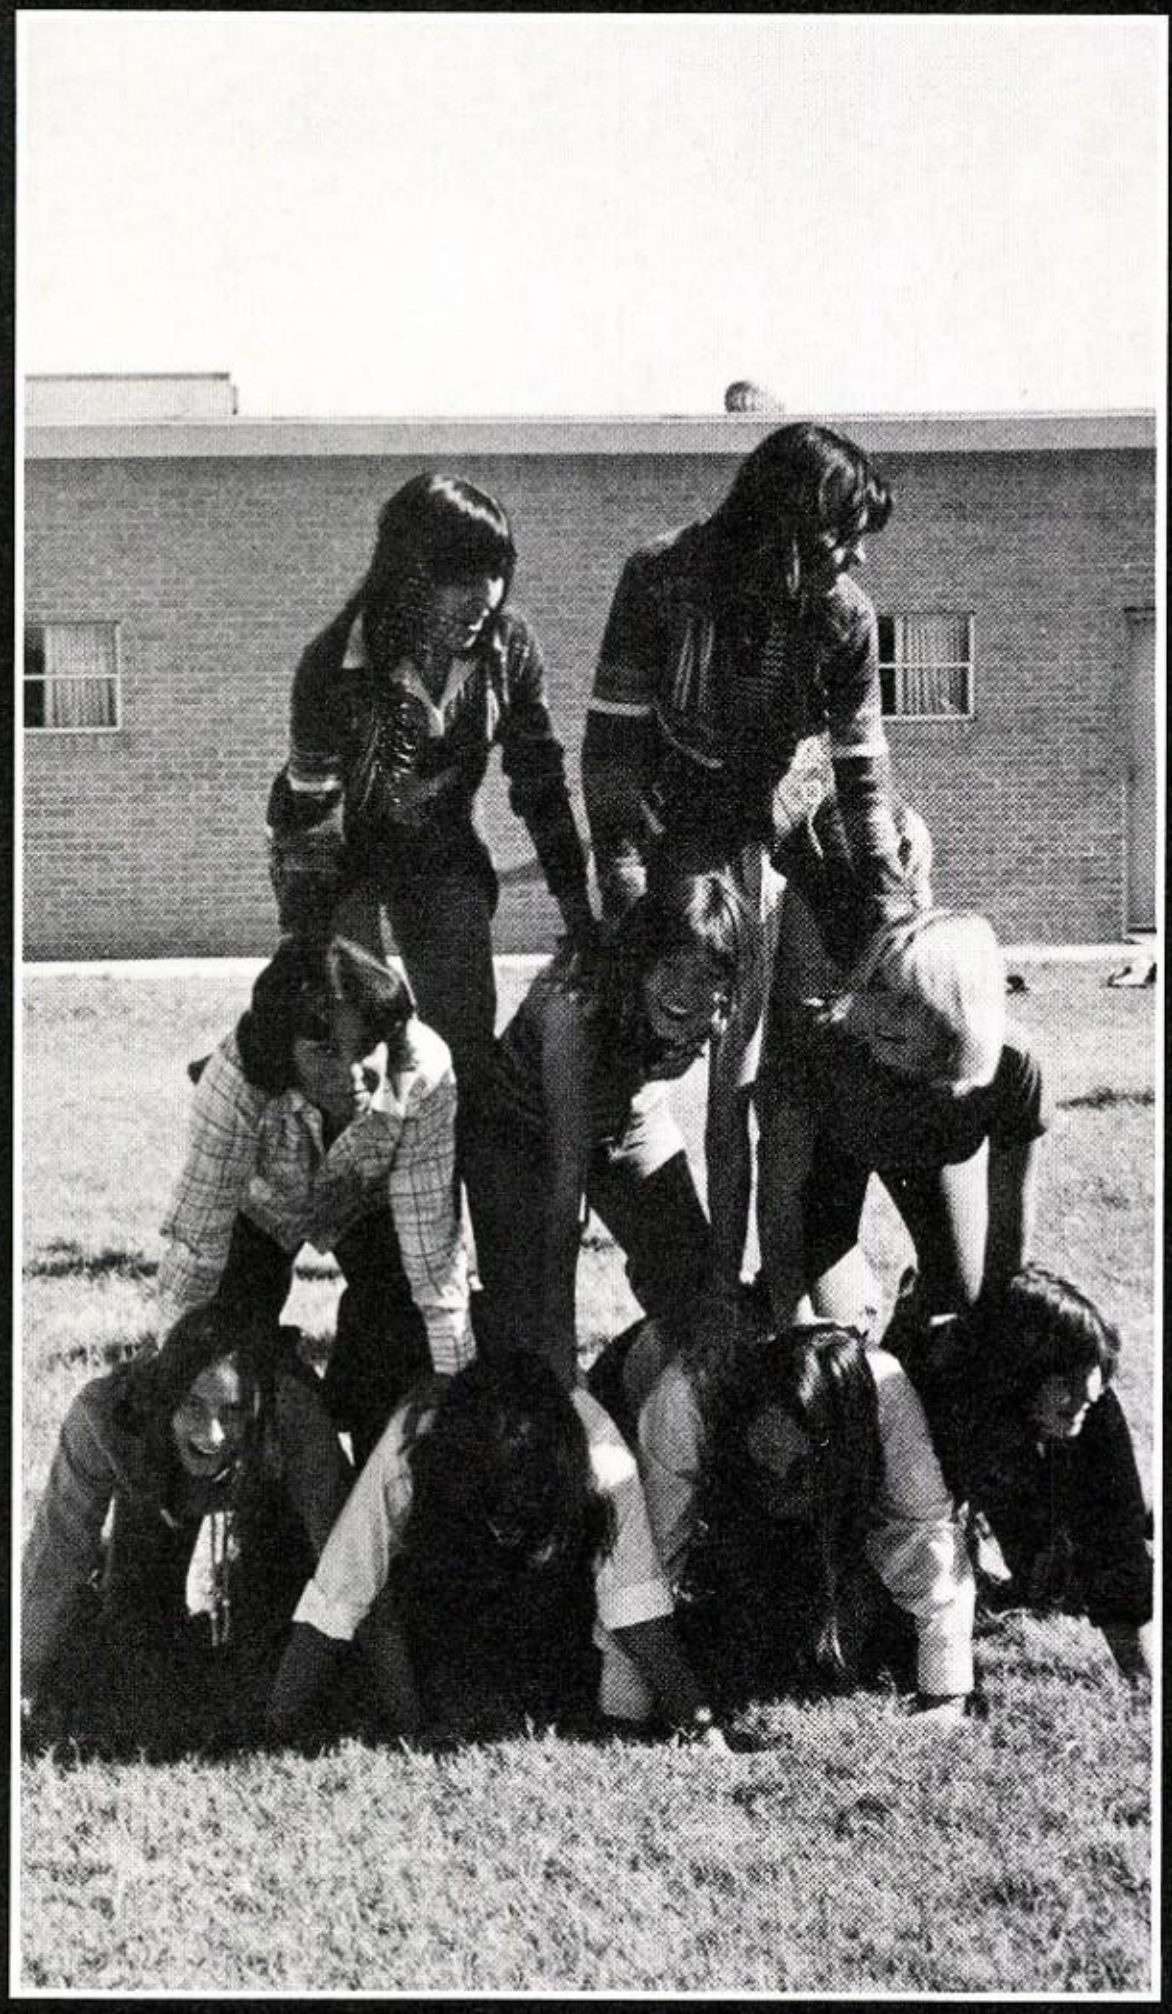


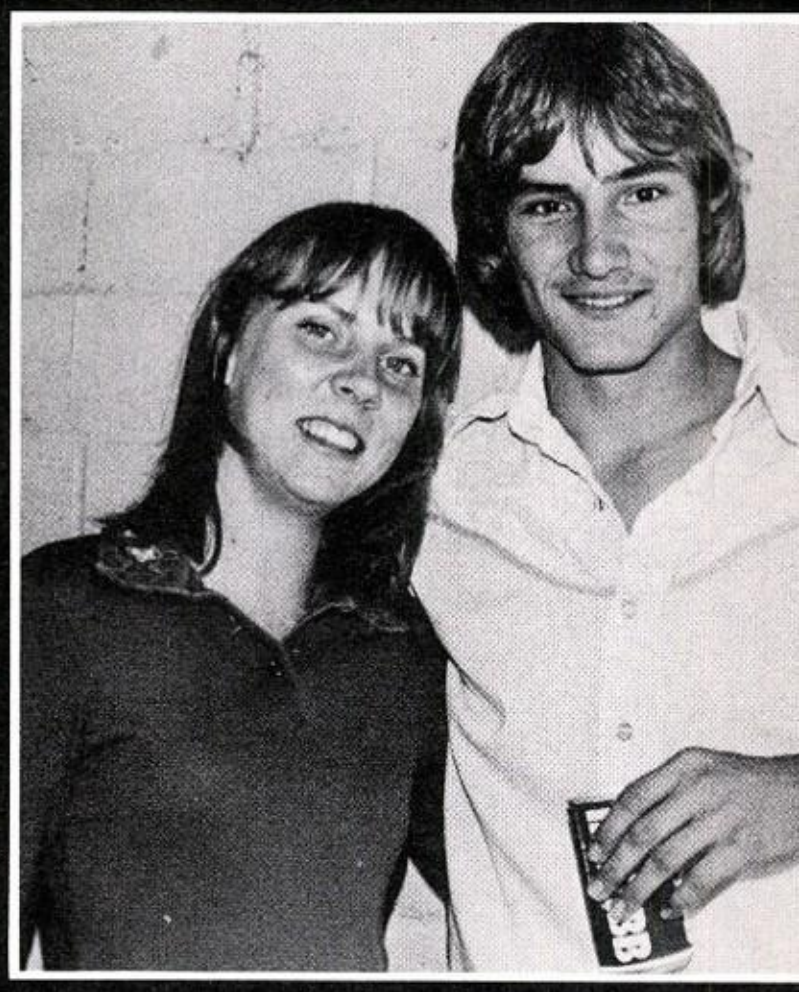
I Can't Be Contented With Yesterday's Glory, I Can't Live On Promises Winter To Spring.

Dedication

No matter where Life's paths lead us nor which road we choose, we will always find a refuge at home. Where we love is home, home that our feet may leave, but not our hearts. Our hearts will never leave because home is where our parents will be.

We, the Senior Class of 1978, wish to dedicate with love and respect, this annual to our Parents.





Today Is My Moment,
Now Is My Story,
I'll Laugh, And I'll Cry,
And I'll Sing.

1978 Senior Class Prophecy

By the Juniors

This is the year 1988. We would like to look back on the Senior Class of 1978 and see what each individual has accomplished throughout the years.

We would like to congratulate RITA CASAREZ. Because of her wonderful talents, she has become the first lady member of the Harlem Globe Trotters.

SHARON McWILLIAMS has been tagging along behind Rita airing up basketballs and personally assisting her in financial matters. She has been seen several times in the company of Meadowlark Lemon's good looking manager.

Since GAYLON SCHNIERS has graduated, he has gone every month to the Welfare office in his $50,000 tractor to pick up his welfare check, which he uses to pay for the meals he eats in the lunchroom.

All the misery and torture we went through watching LETICIA SALINAS practice her dancing on the school bus was for a good purpose. She is the latest winner in a dance contest on American Band Stand and is co-host to Dick Clark.

Well RIKKI POPE, now that's another story. She is still chasing the Wall graduates just cruising for a brusin.

KATHY HEINZE learned so much at Miles High School taking pictures of all the acivities that she is now a photographer for Playgirl.

We now feel we have been of use to BECKY KING by letting her push us into the lockers of Miles High School because she is now a member of the Kansas City Bombers Roller Derby Team.

We are proud to say CLAY HOLIK is from Miles. And because of his love of basketball, he is a member of the Boston Celtics.

Another member of the Celtics is mild mannered Clark, STANLEY SCHNIERS, Kent, who is seen stepping on the basketball court. As he pulls off his warm-up top he turns into "Super Stanley" and commences with his twisting, driving, turning, flying through the air shots at the basket. Picking himself up from the wall, he says "was it close?"

And LANCE LACY'S love of football and drama has given him an idea following that of Joe Namath's panty hose which he calls Lance's lacey leotards.

HOPE IBARRA is now using her ability of fast fingers in typing toward another occupation. She now owns and manages her own massage parlor.

After so many Rowena Dances, ANNA LEE SHILLER has converted and has become a nun. She is now Mother Superior at Eola Catholic Church.

Anybody have any problems or questions on personal matters? If so, write Dear Bonnie. BONNIE KVAPIL has her own column in every paper in the nation. She is so good that Abbie and Ann Landers were forced to resort to food stamps.

JANIE FREEMAN is still not engaged. She has just received a 24 carat diamond ring. We hope this time the engagement will be announced.

One of the students of this Senior class is now very profitable in her own profession. She does her own work and manages her money very well. Her high school days have helped her in her work. This student is KELLY WILLIAMS, who now owns Kelly's Kennel for St. Bernards only.

DARLENE HENRY was always the quiet one of the Senior girls. And now much to our surprise, she has become the famous Miles "Barbara Walters".

Because of DUANE SCHNIERS' ability in building, he is now a professional architect. He has just recently built the first skyscraper in Miles which stands 3¼ stories high. Another of his famous accomplishments is the building of the new Miles High School gymnasium.

Seniors of 1978 are planning to have their 20th year school reunion. But they still cannot decide on the time, place, or band. Half the class wants to go to Rowena and dance to the Cavaliers, and the other half wants to go to Austin and listen to Rabbit.

1978 Senior Class Will

by the Seniors

We, the Senior Class of Miles High School, in order to form a more perfect Senior Class, do ordain and establish this Will for the Junior Class of 1978.

Rita Casarez wills to CHARLES BOOK her fast moves and to DEBORAH JANSA her quick hands.

JANIE FREEMAN wills to CHRIS KEISLING and KIM HUDSON her ability to stay in P.E. class for four years of high school.

DARLENE HENRY leaves MARLA RIDDLE her ability to eat and never gain weight. BONNIE KVAPIL wishes to leave MARLA her attitude for perfection in whatever she does.

KATHY HEINZE leaves DAVID ROWOLDT her ability to cut up in class and never get caught.

CLAY HOLIK wills to KAREN REDMAN his ability to touch the basketball rim without jumping.

HOPE IBARRA leaves her giggles to KYLE WRIGHT. To JEFF MCGUIRE she leaves her fast-moving fingers. (On a typewriter, that is!)

BECKY KING wills to JEAN CMEREK her formula for keeping her temper and her ability to get along with Mr. Murray.

LANCE LACY leaves to ROY SHARP and RICKY KEELING his ability to flirt and not get anything accomplished.

SHARON McWILLIAMS leaves STEVE RANKIN her ability to be the safest driver in Miles. And to DENNIS HAVLAK she leaves her responsible ways and ability to get something accomplished.

RIKKI POPE would like to will FAYE KRUPPA the ability to flirt and get away with it.

LETICIA SALINAS wills to HENRY LIPPE and BRENT JOHNSTON her athletic abilities. She would also like to leave the Junior girls her ability to pass Shorthand without handing in a lesson.

ANNA LEE SHILLER leaves her love of Cavalier dances to MELINDA KVAPIL.

DUANE SCHNIERS leaves to JOHN CASTILLO and RONALD SMITH his innocent looks and mischievous ways.

GAYLON SCHNIERS would like to leave CURTIS SCHNIERS and HARVEY WERNER the knack to stall in class and his ability to cut people down.

STANLEY SCHNIERS wills to STEVE HUDSON his ability to make shocking outbursts unexpectedly.

KELLY WILLIAMS wishes to leave MIKE ISHAM and MAC DODSON her logical thinking and her ability to still stay off the Honor Roll.

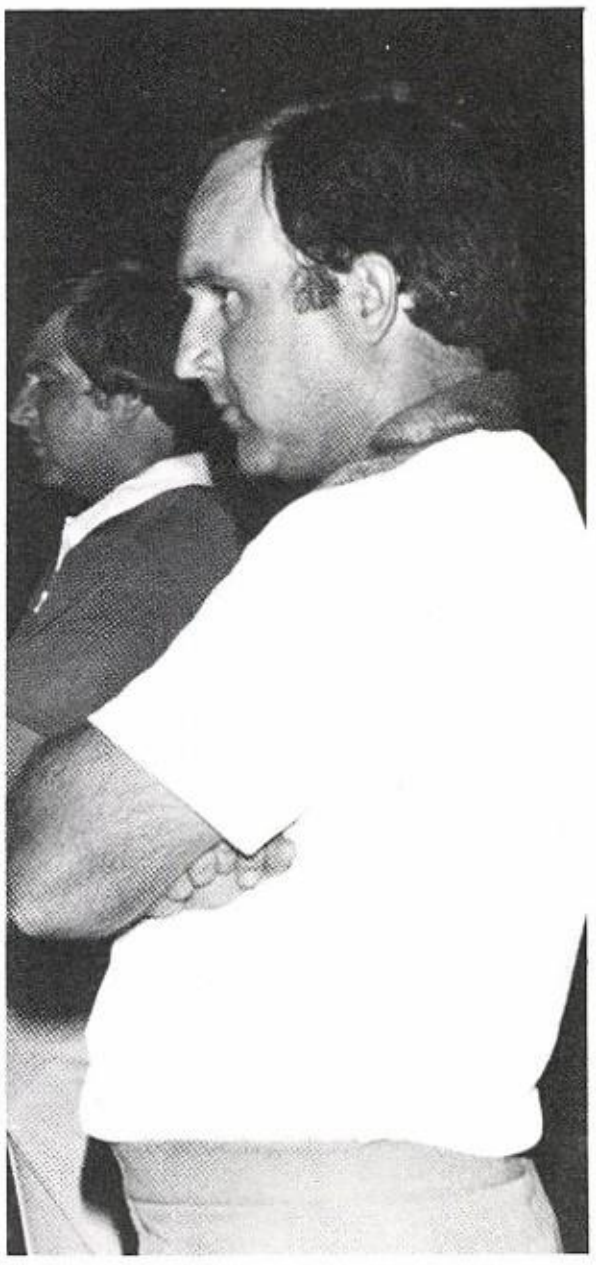
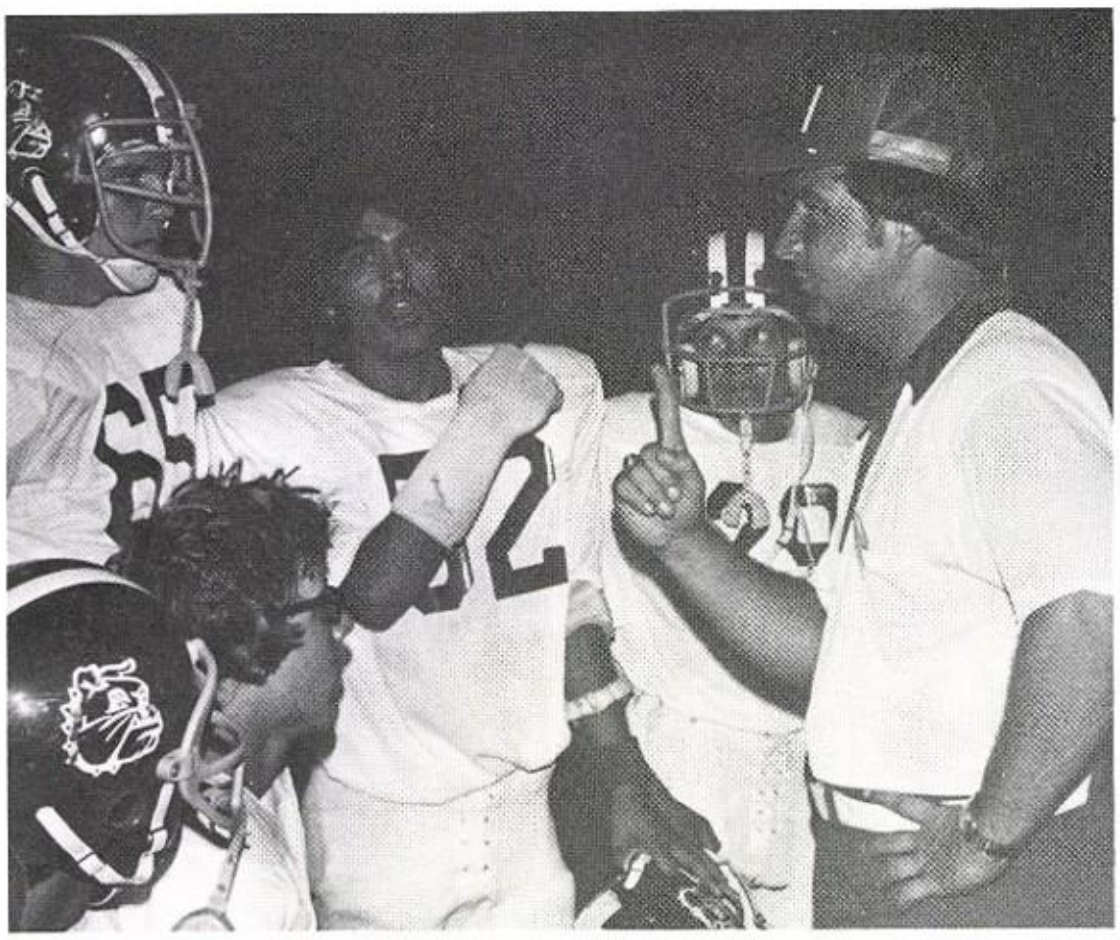
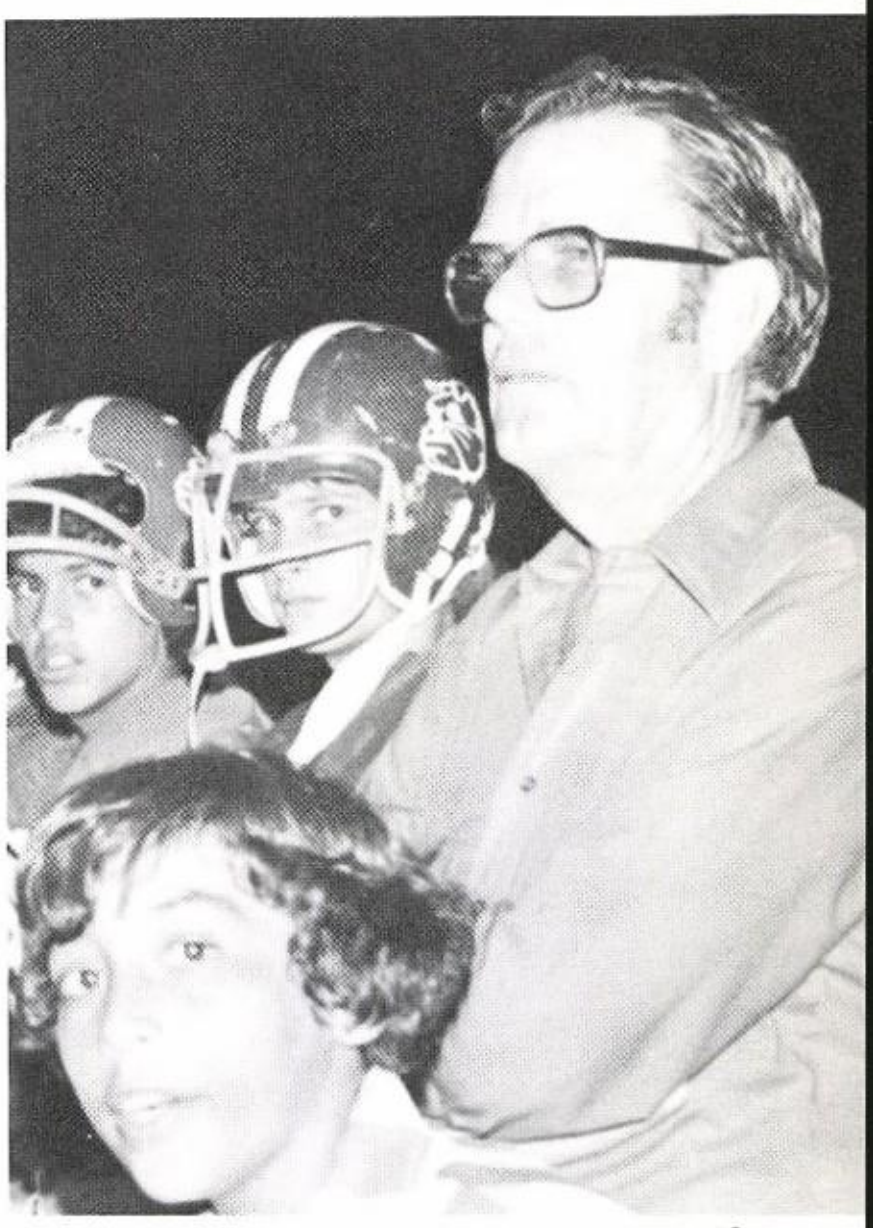
Coaches Create Spirit



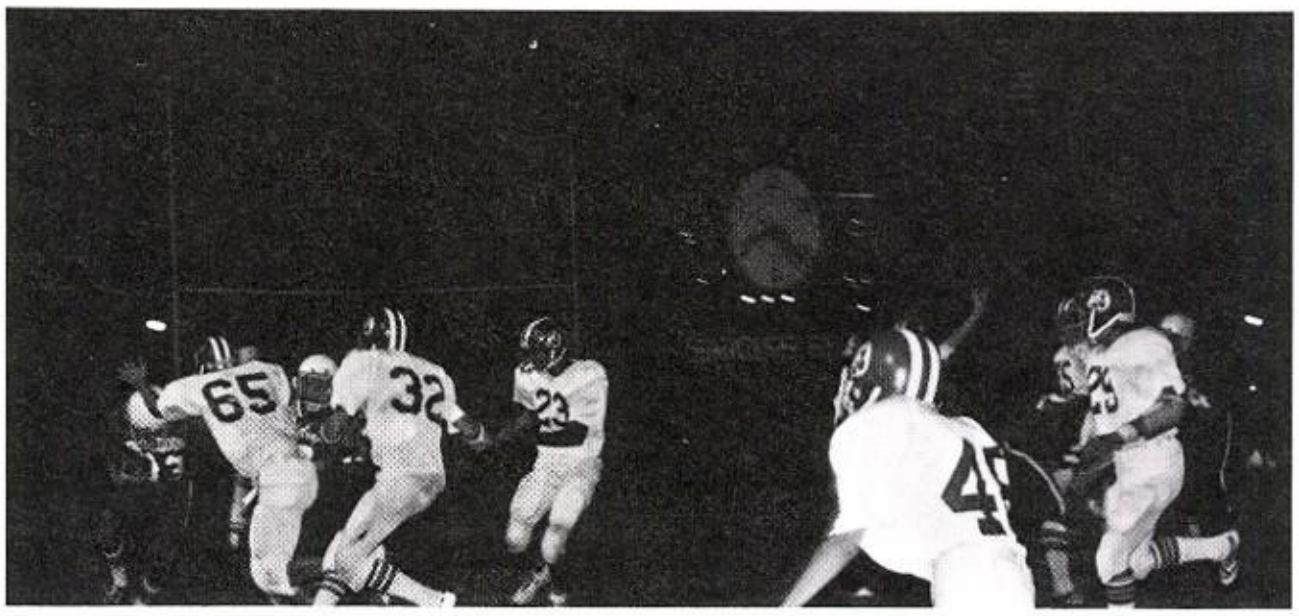
COACHES

Left to right: Head coach Mr. Gary Krejci; assistants, Mr. N.T. Gault and Mr. Ronnie Krejci



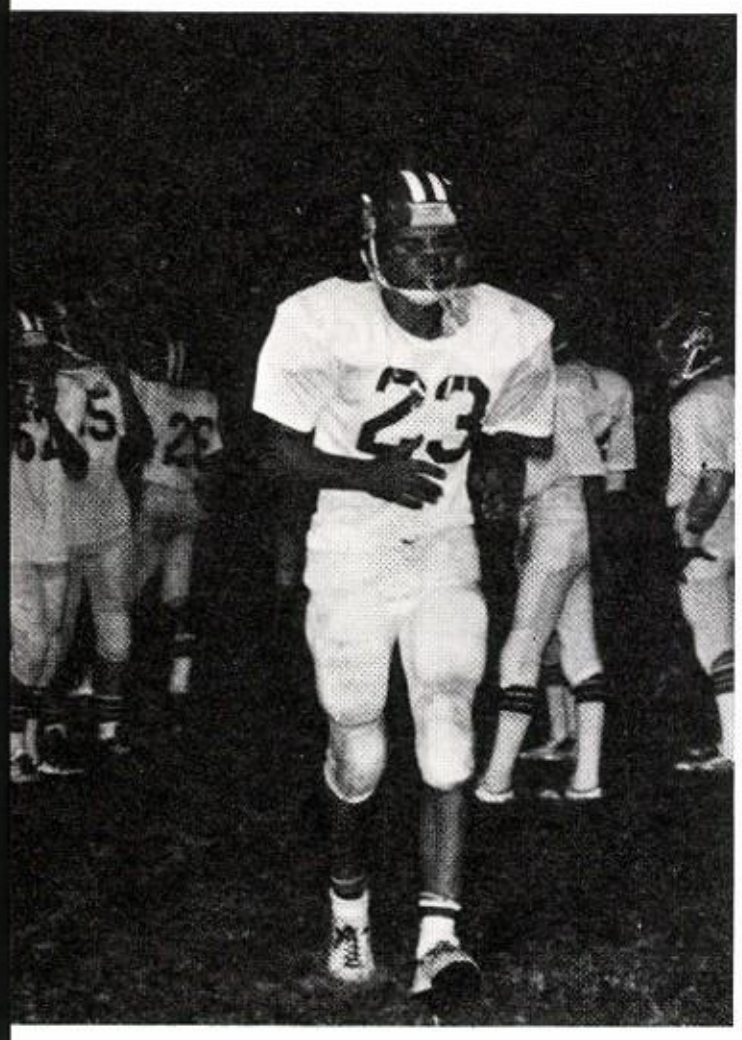


The 1977 Football coaches created a new spirit for the Bulldogs. They gave the team all their time and effort. They taught the young men to work as a team and to keep fighting until the end. The coaches strove for sucess and they found it in more ways than one.

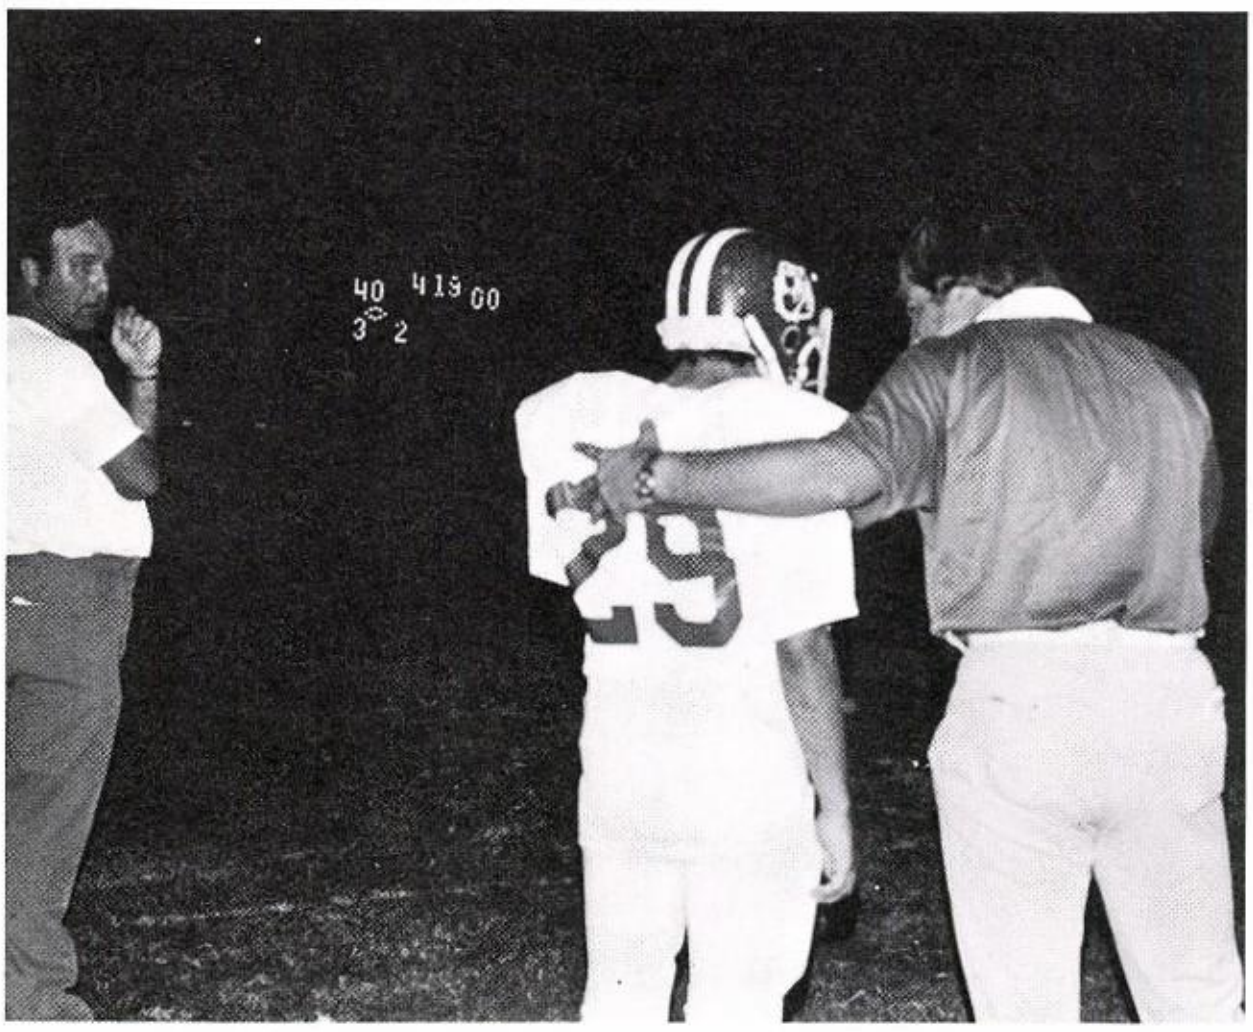


Paul Sklenarik (#65), Ronald Smith (#32), and Dennis Havlak (#23) prepare to stop an Eden Bulldog.

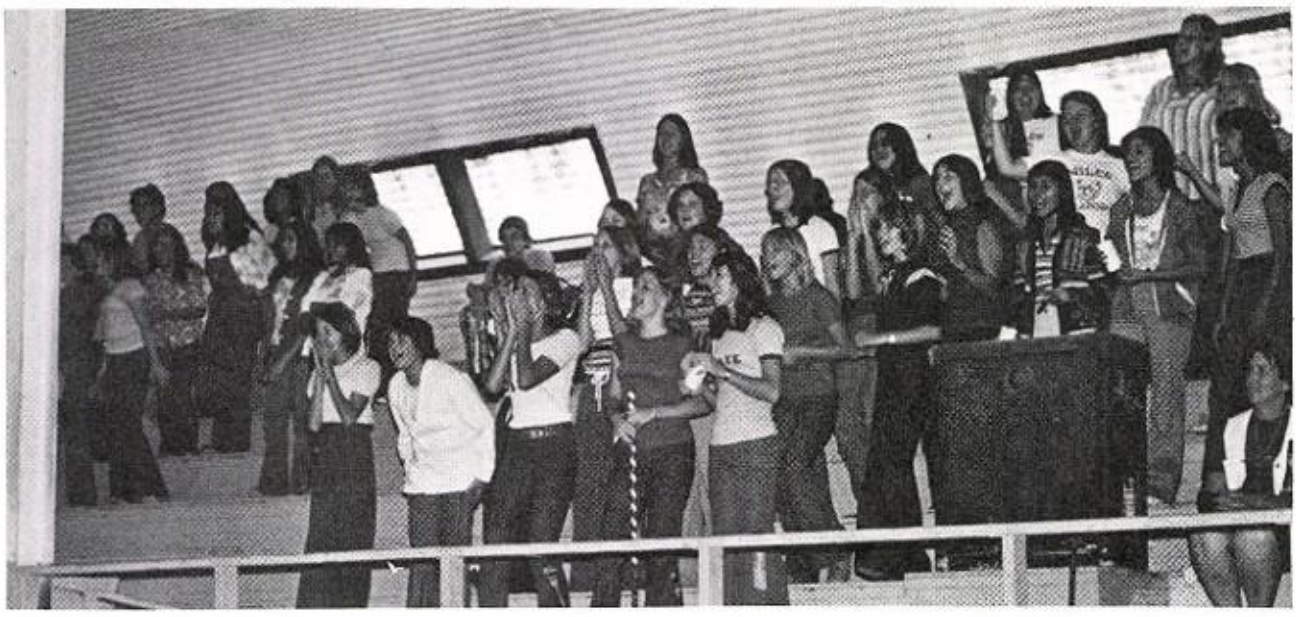
Randy Carrol runs for yardage against Irion County.



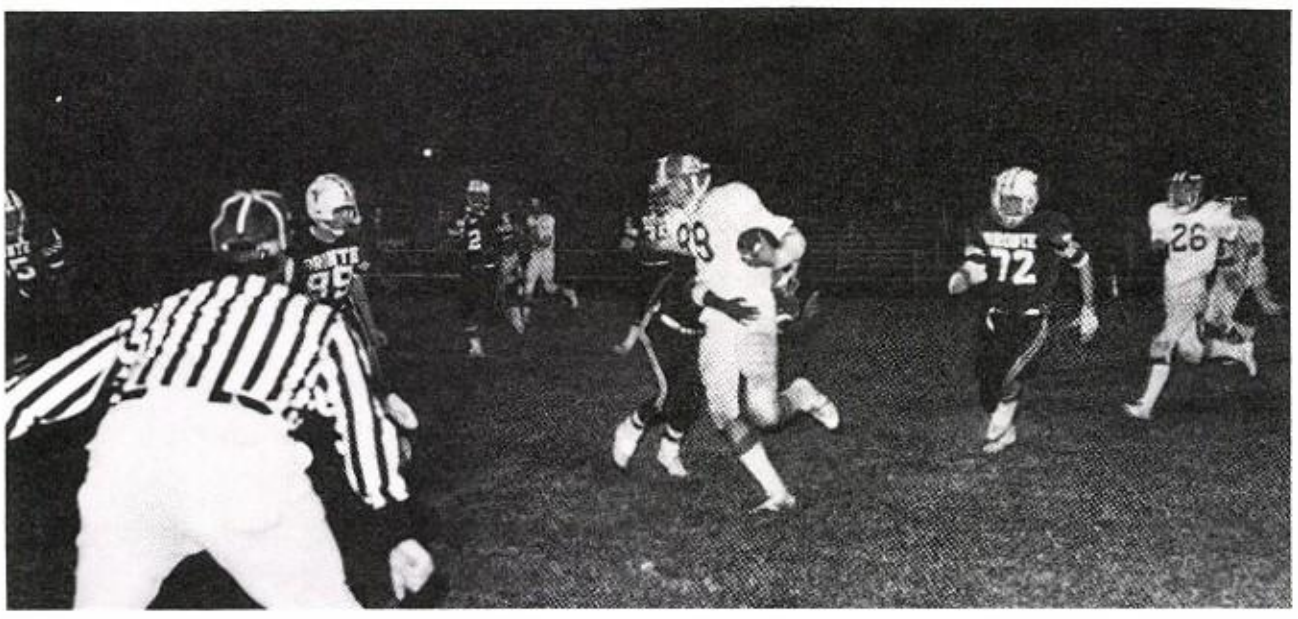
Dennis Havlak comes to the sidelines during a time out.



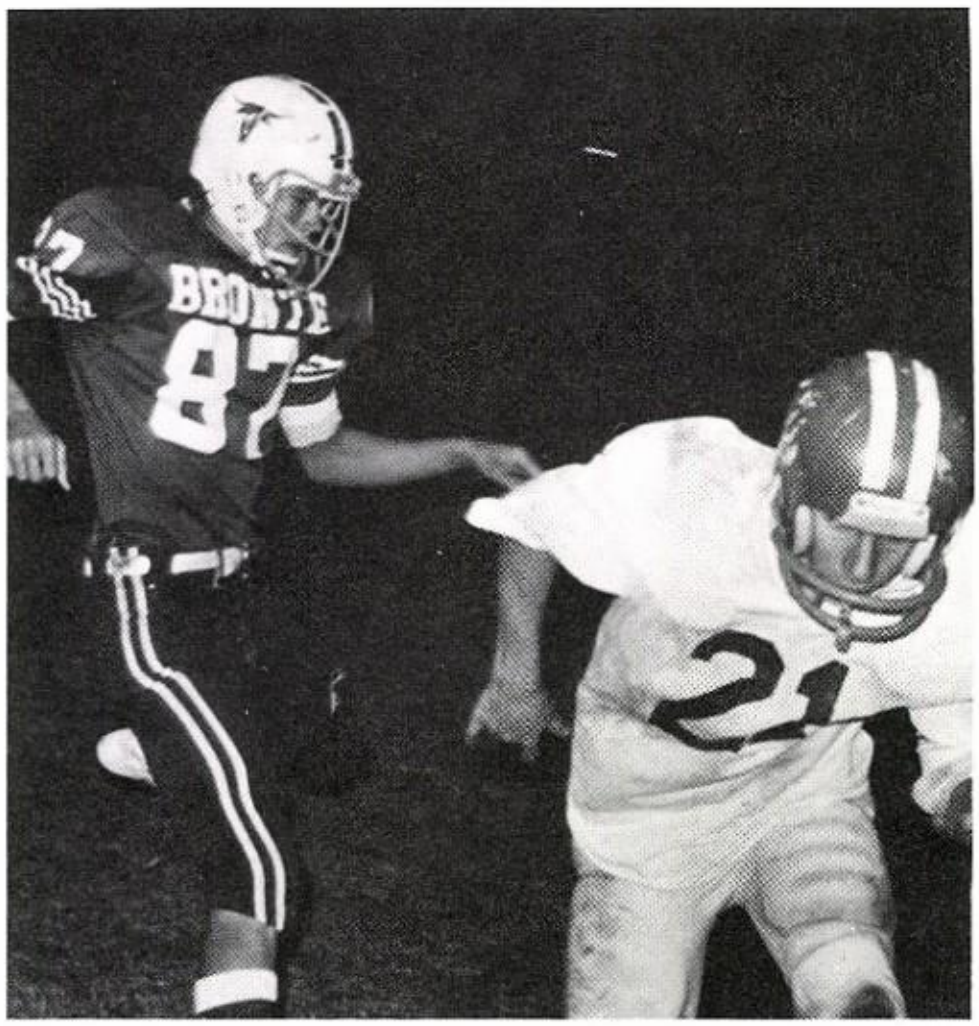
Coach Gary Krejci gives instructions to Cipriano Salinas as Coach Ronnie Krejci looks on.



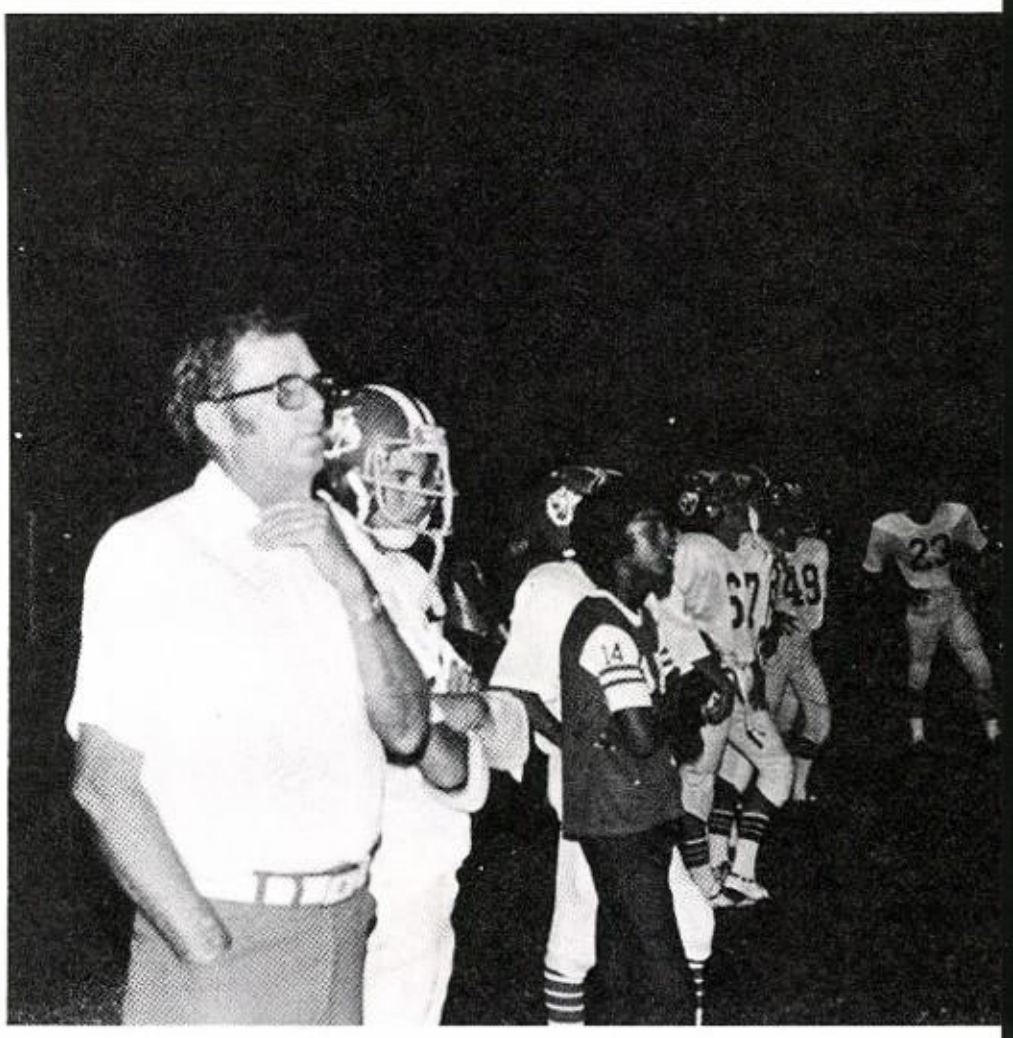
The drill team yells during a pep rally.



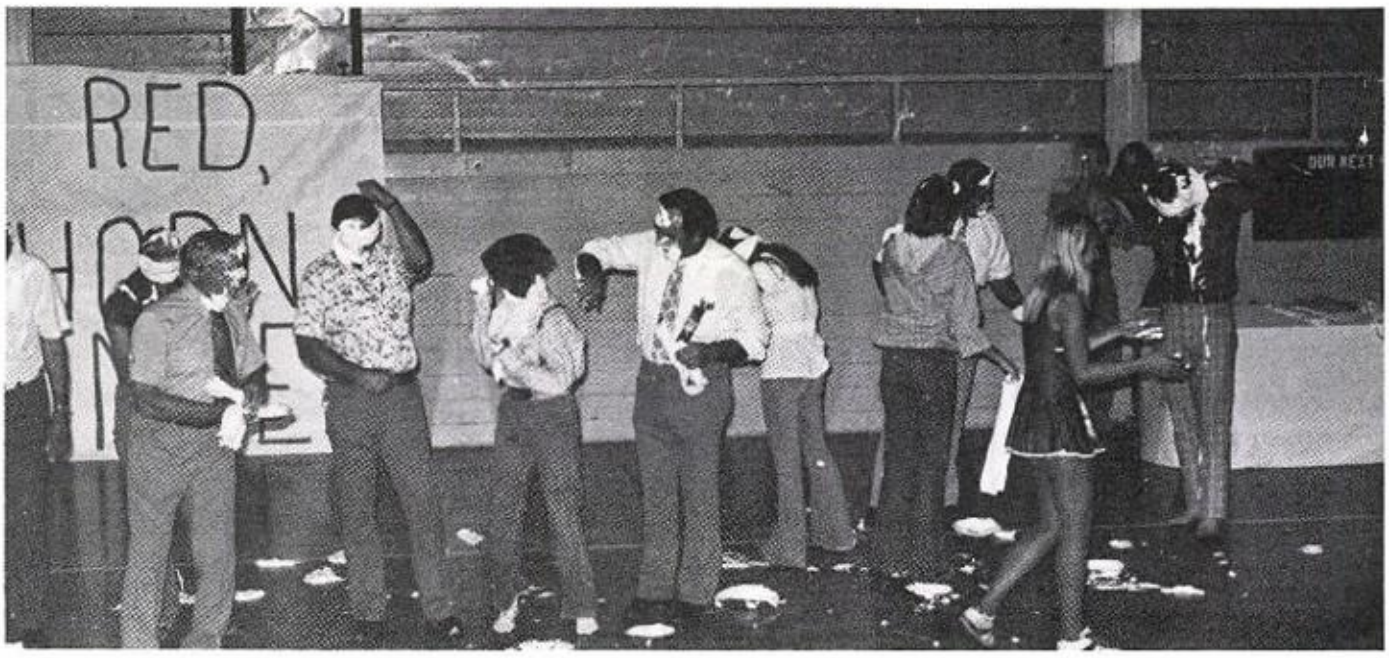
Donald Rowoldt fights for yardage against Bronte.



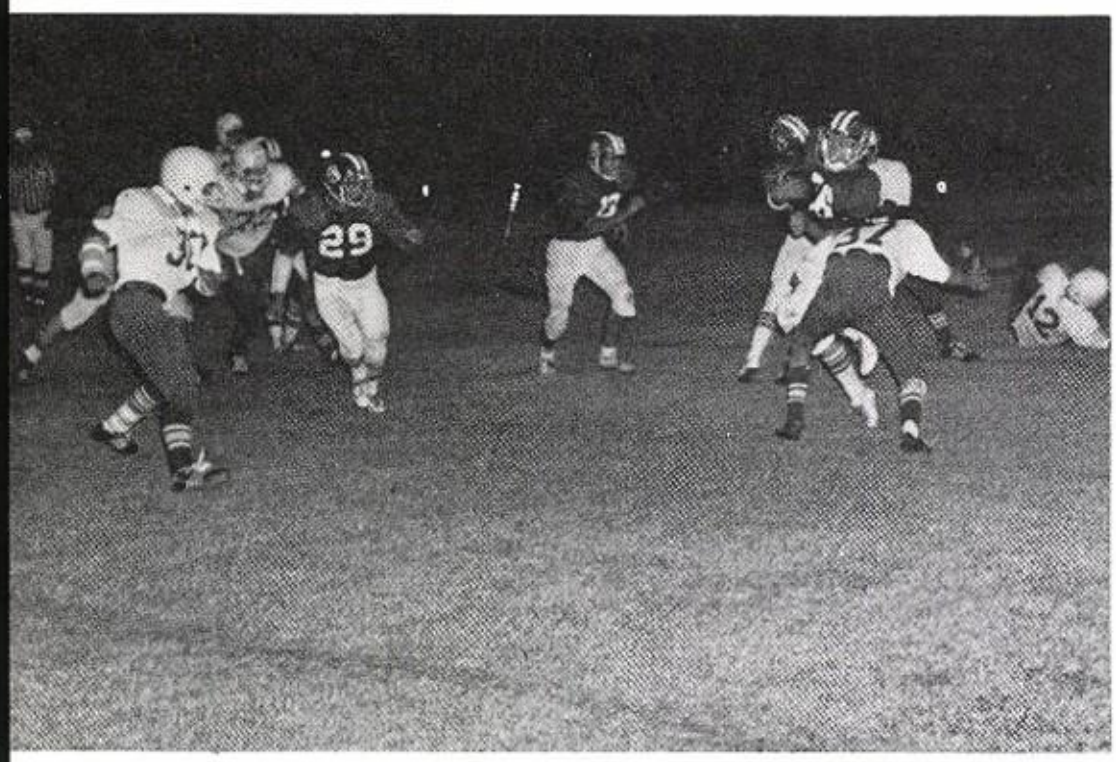
Danny Becknell comes in for a tackle against the Longhorns.



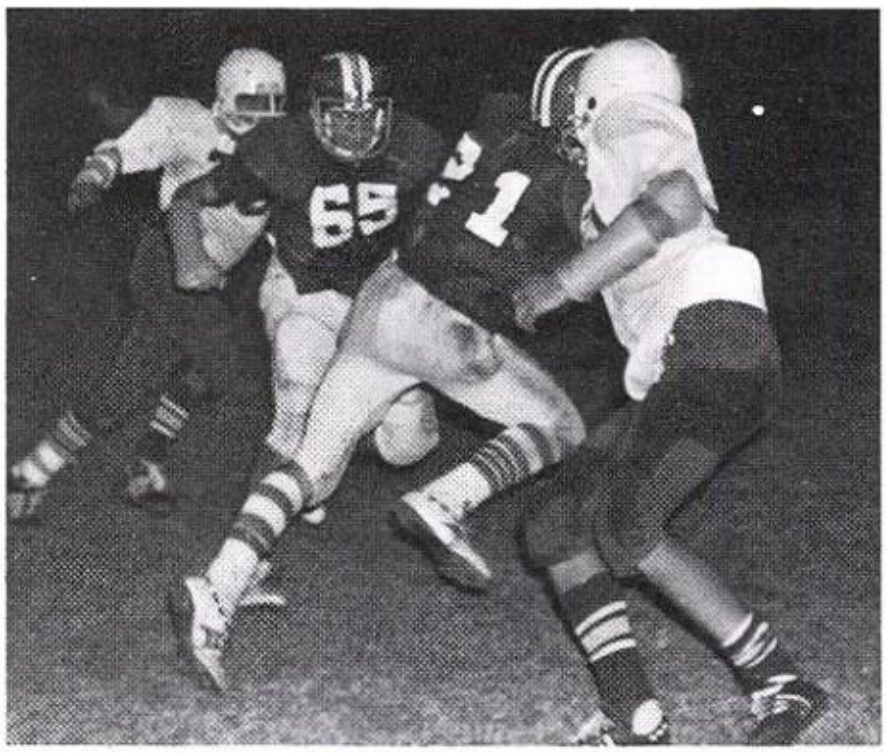
Coach Gault and the rest of the Bulldogs look on from the sidelines.



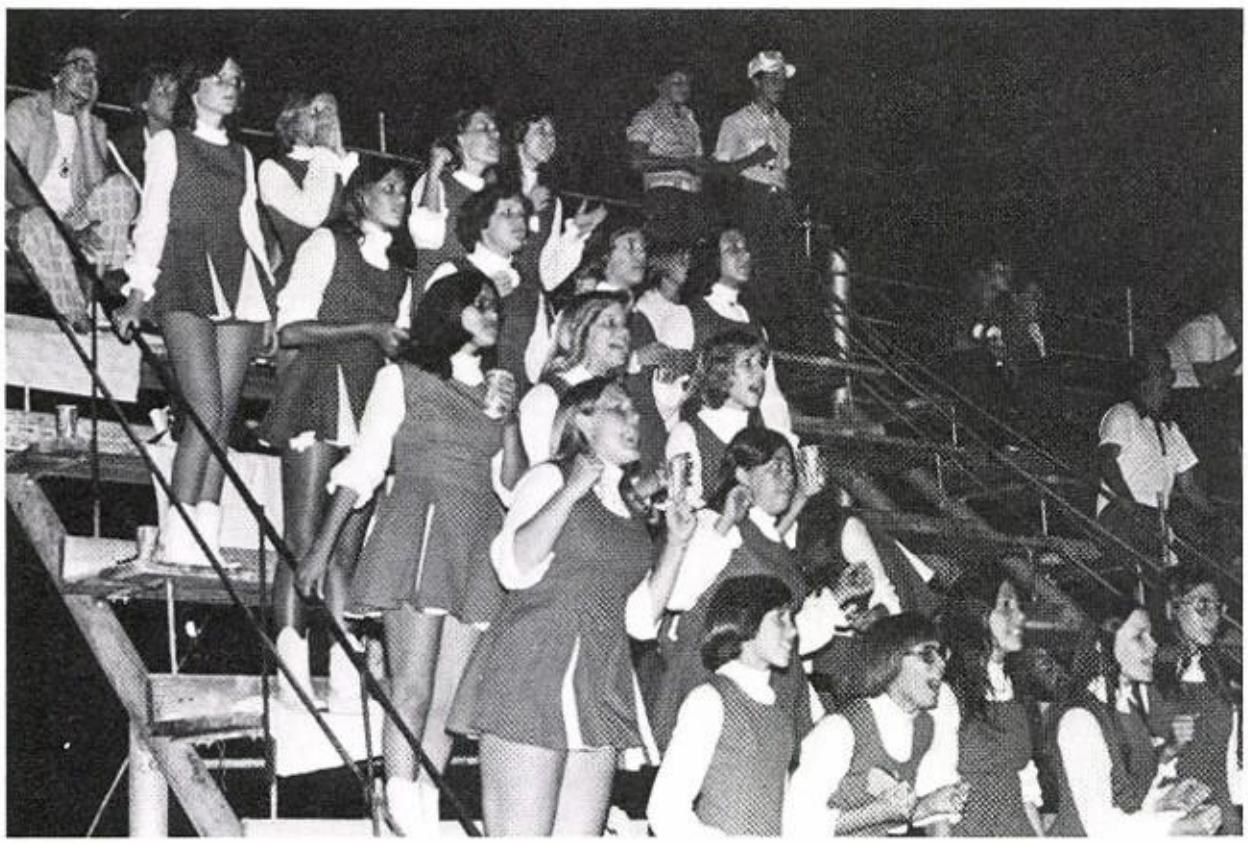
The last pep rally was fun and spirited.

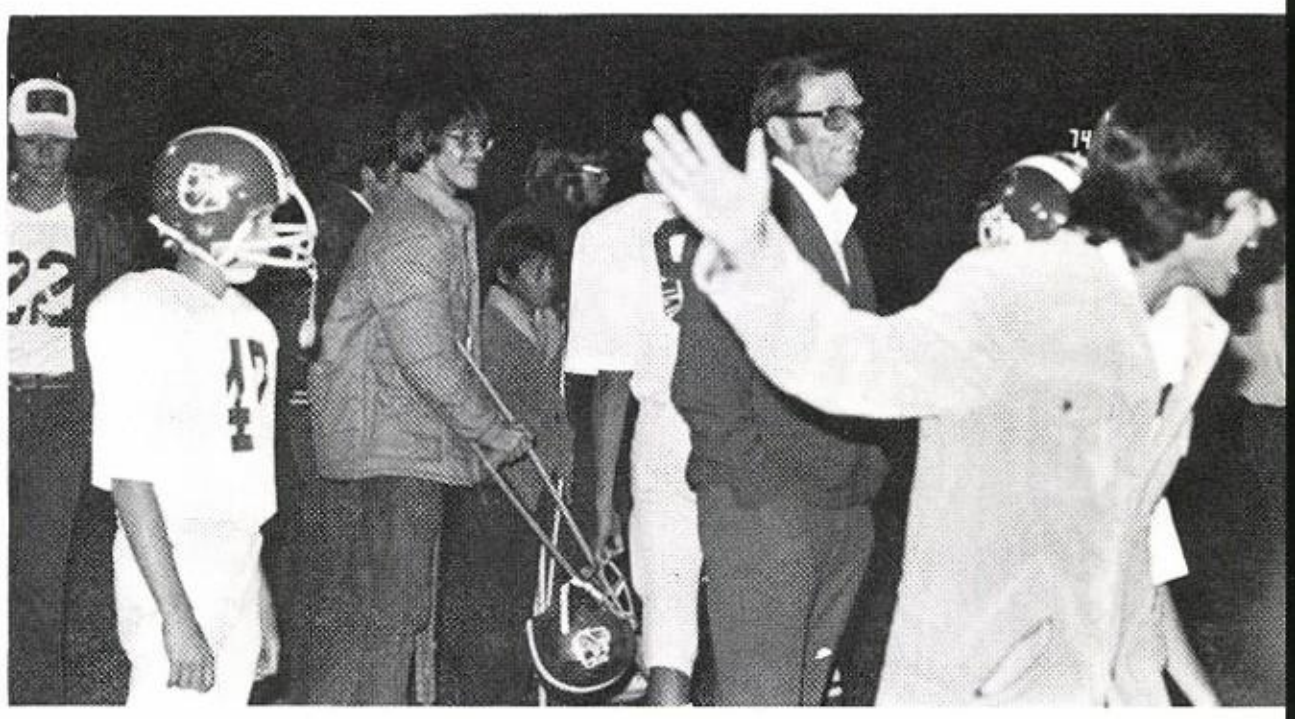


Randy Carrol carries the ball against Irion County as Cipriano Salinas (#29) and Dennis Havlak (#23) come in to block.



Danny Becknell finds room to run as Paul Sklenarik comes in to block.





The 1977 football season was a tough one for the Bulldog team as they competed in their second year of 11-man football.

The season got underway in August as 24 inexperienced young men under a new coach, Gary Krejci, began two-a-day workouts in preparation for the upcoming year.

Enthusiasm and desire were high from the beginning as the Bulldogs worked hard. Fundamentals and techniques were stressed as they became a disciplined team.

The Bulldogs tried hard every game against bigger and more experienced teams. Injuries to several players midway through the season hurt the team's chances for winning their first game. Two close games were lost to Richland Springs (25-32) and Irion County (6-12) as the Bulldogs fought them down to the last whistle.

The 1978 season will be better for the Miles Bulldog football team as everyone is coming back, and they will be more experienced and ready to go after their opponents on the gridiron.

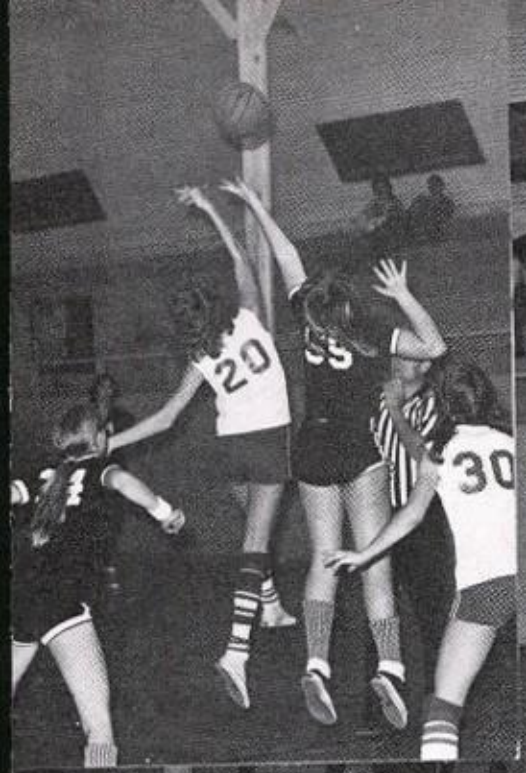
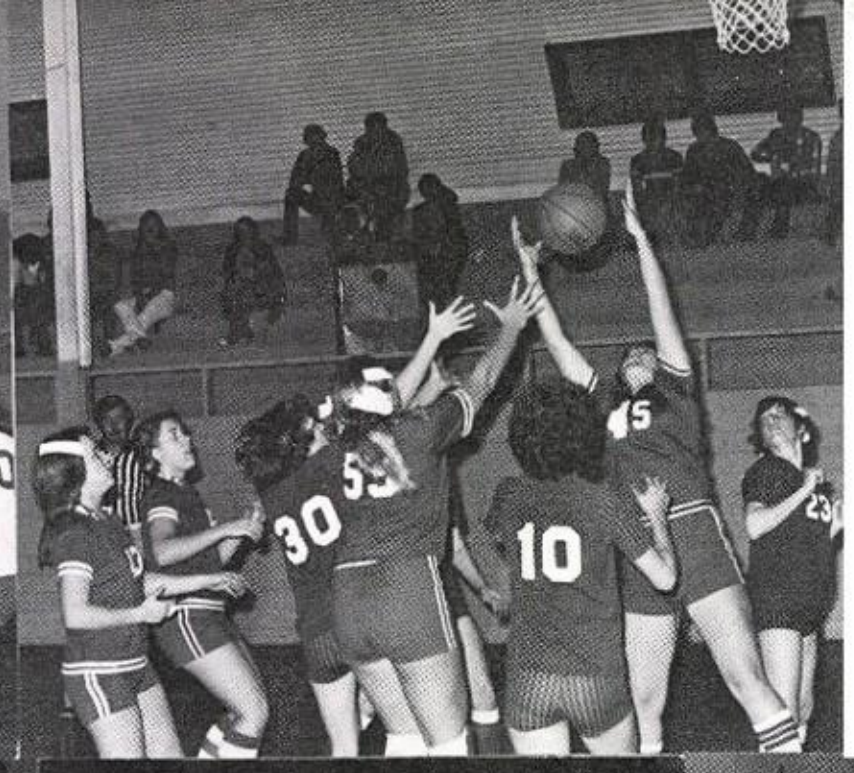
The 1977-78 basketball season was one of many ups and downs. The boys hustled and tried hard, but came up against some stiff competition in district play. Hustle and hard work were emphasized throughout the year as the team ended up with a 12-17 record and 4-6 in district.





The 1977-78 basketball season was a successful season. The girls worked very hard and they improved with each district game. They learned a lot about basketball and life; and I did, too. We had some fine leadership and everyone on the team contributed in some way. I want to wish our senior girls success in the future, and I want to challenge our upcoming senior girls to be effective leaders. Let's improve on our record, and let's make 1978-79 a better year for Miles High School in all areas.

The Volleyball season was one that had its ups and downs. The girls and I finally got it all together and we came through with a district win over Mertzon. This took team work and discipline combined. I really enjoyed coaching these girls and I want to congratulate each one on their good attitude at the end of the season.

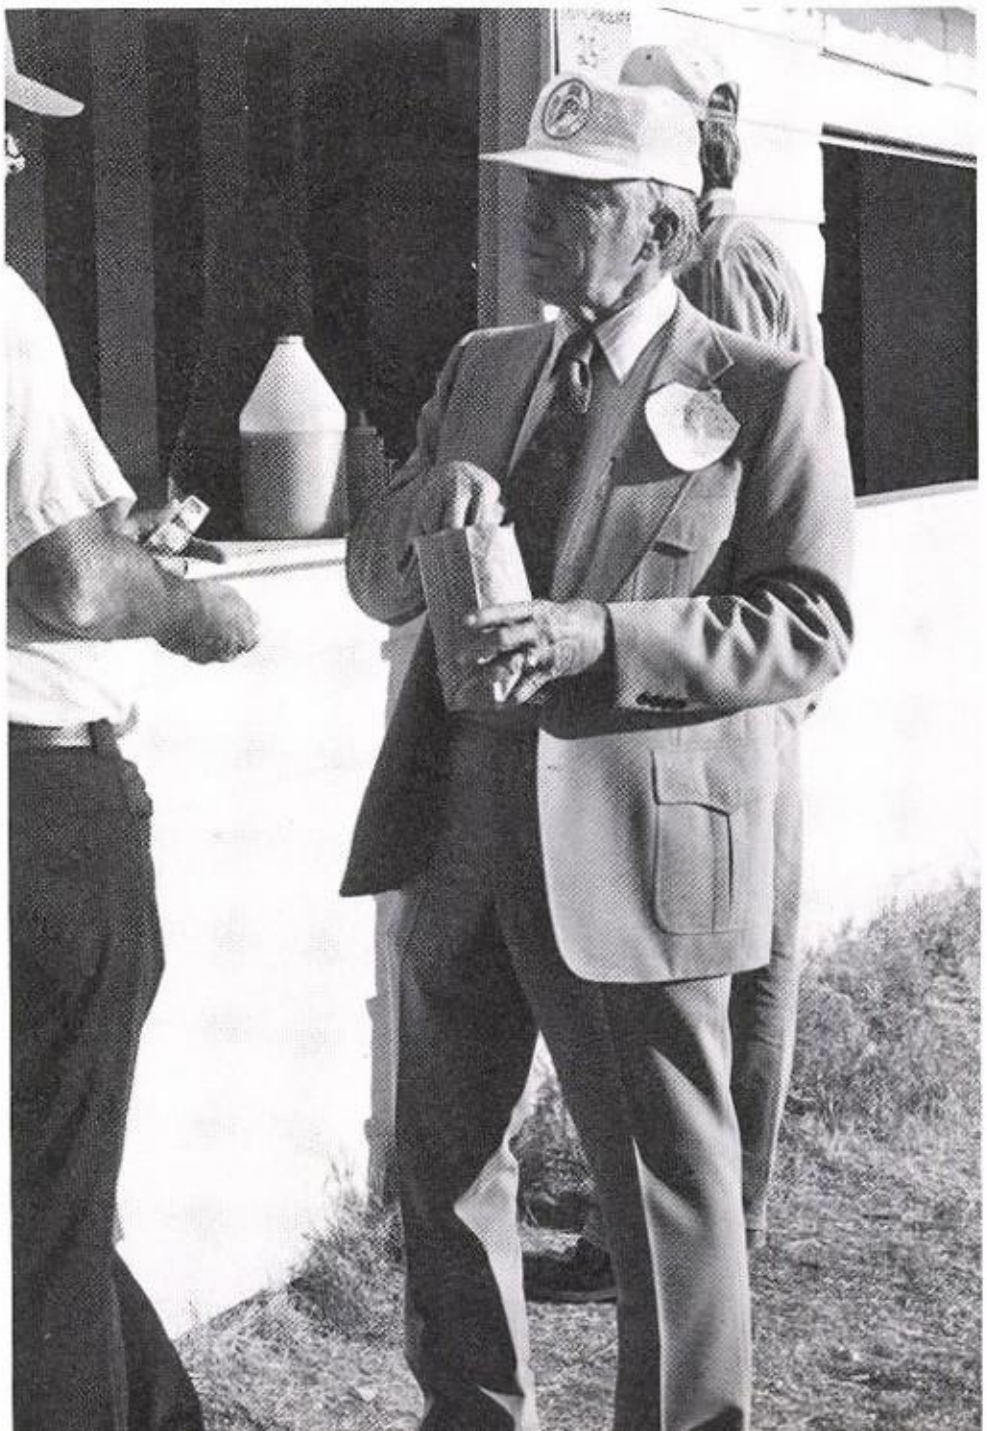
Administration and Faculty

Superintendent Approves Activities

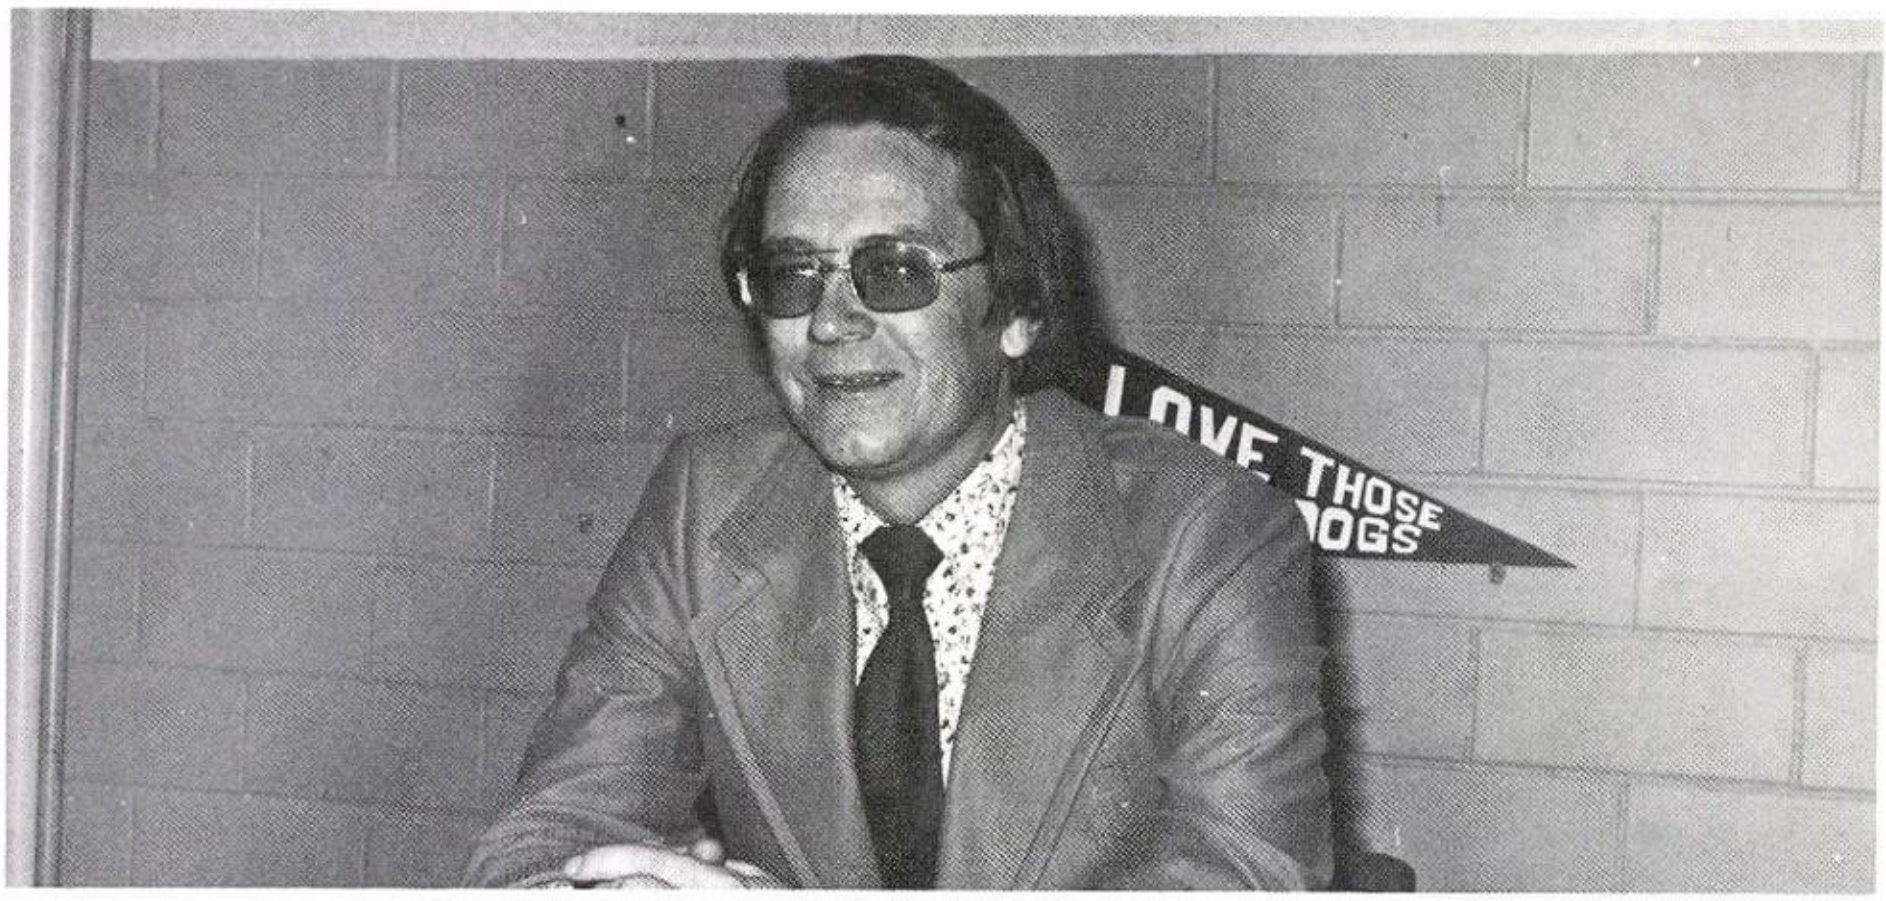
Congratulations Seniors! My sincere wish for you is that your education has taught you to be honest, to be kind, to earn a little and to spend a little less, to make upon the whole a family happier for your presence; to renounce when that is necessary; to keep always a few friends—but these without gain—and above all, to keep friends with yourselves.

Fred Salling

We would like to express our appreciation and thankfulness to Mrs. Betty Kvapil. She has served us for 11½ years. We will truly miss her efficiency, and we are sorry to see her go. But we are glad for the time she spent with us.



Principals Guide Students



Another fine school year has passed. Congratulations to the Seniors of 1978. I have enjoyed this year as much as any year that I have ever taught. We have a fine faculty at Miles High School, and we also have the finest students of any school in the state. I challenge the Seniors of 1978 to go forward with their education and to become a good citizen.

Sincerely,

Bob Murray

May each Senior of Miles High School exhibit in your lives the strength to think clearly and act courageously. I challenge you to do your best.

Mrs. Gordon:

Your were one of favorite teachers and I thoroughly enjoyed your classes, especially the eferases in Shorthand. I can't say I really enjoyed Shorthand, but I did enjoy having you as a teacher. One of these days I my just ~~be~~ need it. You really taught me alot and I appreciate it. I will always remember you with fond memories. I hope you have a long and happy life.

Mrs. Gordon, I can't tell you just how much you've meant to me. When you first asked me to be on the annual staff. I was scared to death. But I'm really glad you did. It has really been a great eppience. I have really enjoyed it. If you ever come by Waco. Be sure to come see me. I hope to see you again. Best wishes in everything.

Good-Bye and Thank you for everything. I'll miss you.

Mrs. Gordon, I knew that I'd probably been a big disappointment to you in shorthand. But you know how it is. I really enjoyed your class in accounting. You've been a good teacher and I'm gonna miss you next year.
